**Department:** Inspiring Hope Counseling Program in Butte County

**Work Schedule:** 40 Hours Per Week, Monday – Friday 8:00 AM - 5:00 PM, some evenings

**Pay Range:** \$74,526.40 (Step A) - \$90,716.35 (Step G), Exempt

We are looking for a seasoned therapist with a passion for guiding and mentoring others in the field. Do you thrive in a collaborative work environment that focuses on fostering growth, encourages creative feedback, and strives for excellence? If so, we invite you to embark on an exciting journey with us as a Clinical Supervising Therapist for our Inspiring Hope Counseling Program!

You will play a pivotal role in our team's success through providing supervision and support to our trainees and/or associates and ensuring the delivery of evidence-based, client-centered care. As a Clinical Supervising Therapist, your responsibilities will include conducting individual and group supervision sessions, facilitating professional development opportunities, and promoting a collaborative and supportive work environment.

**Examples of Duties:**

- Assign therapists' caseloads and provide clinical supervision to trainees and associates in accordance with the policies of the Board of Behavioral Sciences (BBS)
- Train, supervise, evaluate and provide ongoing direction for trainees and associate staff
- Provide direct clinical services which may include any of the following: individual and group therapy, family therapy, therapy with adults and/or children, and psychological testing
- Monitor the monthly review of case files, oversee documentation of all evaluation requirements and ensure that files are current and complete
- Develop and promote a sense of teamwork among staff
- Maintain a solid working knowledge of all rules and regulations that have been established by state law, the Board of Behavioral Science, Medi-Cal, and NVCSS

**Qualifications:**

- A Master's Degree in Clinical Social Work or Marriage and Family Therapy
- Have an active license and be in good standing with the California BBS Examiners or appropriate licensing agency
- Experience supervising staff and met the legal requirements set by the BBS
- Experience working with Medi-Cal programs, documentations and billing procedures such as CalAIM.

**Benefits Package:** At NVCSS, our benefits program includes monetary and non-monetary benefits that are carefully designed to support the entirety of your life, both personally and professionally. This position is eligible to participate in our benefits package including medical, dental, vision, Employee Assistance Program (EAP), group and voluntary life insurance and AD&D, short-term disability insurance. Other benefits include leave of absences, generous 14 days paid holidays, a week off at the end of December, paid sick and vacation time off, and retirement programs.

**Training Opportunities:** We encourage our staff to seek continuous growth and provide on the job training. In our Counseling Department's extensive training library, a few you will be exposed to are:

- Dialectical Behavior Therapy (DTP) Certificate Course
- 2-Day Certification Training - Treating Anxiety Disorders in Children and Adolescents
- Oppositional, Defiant and Disruptive Behaviors in Kids: Non-Medication Strategies for the Classroom, Clinic and Home
- How the Body Keeps the Score by Dr. Bessel Van Der Kolk
- Play-Based CBT for Children with Anxiety: Innovative Techniques that Work

**Applicants must submit a resume and employment application (online @ [www.nvcss.org](http://www.nvcss.org)) for consideration. Cover letters are encouraged.**

**Closing Date: Open Until Filled**
