

YOU MADE THE DIFFERENCE!

The Catholic Foundation is delighted to share a handful of stories that represent the profound impact you, our 28,573 donors, have made on the lives of tens of thousands of individuals and families in the 20 counties of the Diocese of Sacramento. We hope you will find joy and spiritual satisfaction in the part you play in this worthwhile effort to build the kingdom of God in our Northern California communities. Thank you for your support in 2012. Please take a moment to celebrate all that you do.

REPORT OF GRATITUDE | 2012

DEAR BROTHERS AND SISTERS IN CHRIST:

EACH YEAR I appeal to your generosity on behalf of tens of thousands of individuals and families throughout the Diocese of Sacramento who need our help. And each year you respond.

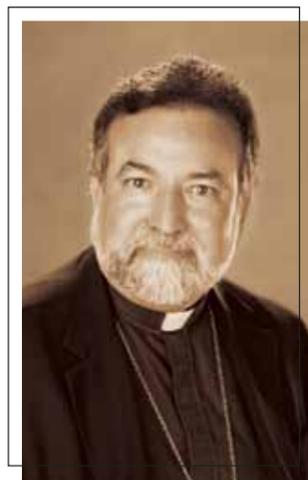

In the 2012 Annual Catholic Appeal 28,573 of you contributed gifts and pledges which surpassed all previous Appeals, amounting to \$3,555,340. Twenty-five percent of funds collected went back to each of the 102 parishes to serve a wide variety of local social service needs. Twenty-five percent helped with the cost of educating the 36 seminarians and many Catholic school students who needed help with tuition. The more than 100 Catholic charity programs that received grants were able to help upwards of 100,000 people.

I am proud of what we have accomplished together. Thank you for your ongoing support of the Annual Catholic Appeal.

We gratefully praise God for His many blessings. May our Heavenly Father give us the joy and hope to share what He has given us with our brothers and sisters.

Respectfully,

+Jaime Soto
Bishop of Sacramento

DEAR FRIENDS IN CHRIST:

I AM FILLED WITH JOY, hope and gratitude when I see the marvelous work being done for those in need by Catholic charity programs and parish ministries with funding from the Annual Catholic Appeal.

It has been a privilege to witness the sometimes mundane, many times heroic efforts of staff and volunteers to carry out the prophetic mission of ministry to those who suffer the ravages of a life of poverty.

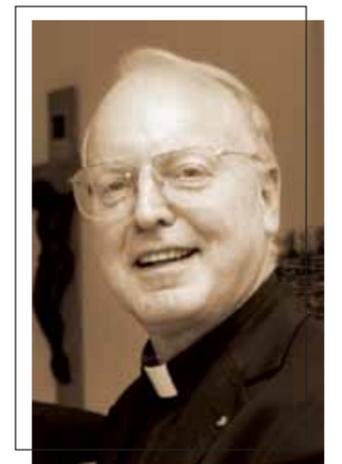

It has been an enriching experience to work alongside competent, faithful, committed and compassionate professional staff. It has also been humbling and inspiring to meet people in their need and then see the generosity of all those who respond to those needs.

It has indeed been a blessing beyond measure to serve the church in the Diocese of Sacramento as the Director of Catholic Charities/Social Service Ministry for the past 12 years. I thank God every day for that honor.

Sincerely in Christ,

FR Michael F. Kiernan

Every time

\$500,000 helped

fill the gap between those in need and available funds for the school year.

DEAR FRIENDS:

SUSTAINING HIGH QUALITY Catholic schools is a priority for the Diocese of Sacramento. Once again, you have made a difference! Your generosity has provided our schools with the ability to offer tuition assistance to deserving families in our most economically challenged communities.

The future of our Church and our country relies on our ability to effectively educate Catholic youth in an environment where our children learn and grow with Christ. As Catholics, we share the obligation to ensure that we prepare our youth to be the future leaders in our parish communities. That responsibility starts with education. Today's students will be tomorrow's politicians, doctors, teachers, business leaders, priests, nuns and social workers. We must ensure that our Catholic youth are ready to lead in a 21st Century global economy.

What's most special about your gift to the Annual Catholic Appeal is the fact that your generosity will impact a student whom you may never meet, and you gave anyway — and for that, we are grateful.

With gratitude,

Rick Maya

Director of Catholic Schools

DEAR FRIENDS IN CHRIST:

THIRTY-SIX SEMINARIANS are preparing themselves to serve God and His Church here in the Diocese of Sacramento. The journey towards priesthood starts with the calling, that is, when an unmarried man feels in his heart the invitation from God to be a priest of Christ. Formation includes four years of college focused in philosophy, two years of theology, a pastoral year (the experience of living in a parish for a school year), and another two years of theology.

Your support has allowed us to once again ensure the preservation of a supportive community for those who have committed themselves to this journey in service to Christ.

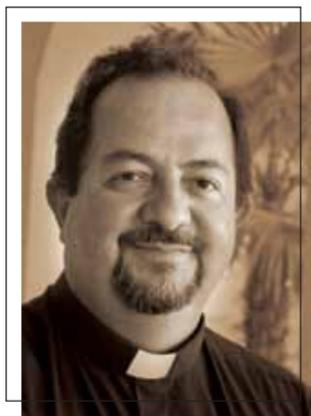

I am grateful for the difference you have made to the seven who are at college level, the eight in pastoral year and twenty-one at theology level who, after success in their preparation, will have the opportunity to be ordained to the priesthood and to serve the people in our parishes.

We are all humbled by your generosity.

Sincerely in Christ,

Rev. Francisco Hernandez
Director, Office of Vocations

Every time

a seminarian moved closer to ordination...

On June 2, Bishop Soto ordained Fredelito Guco to the priesthood. He has journeyed many years toward this milestone event in his faith life. Thirty-six others are moving closer to ordination, too. This year, you made the difference in their ability to focus completely on their formation.

...you made the difference.

\$35,000 a year
is the cost to educate one seminarian.
The Appeal offset this growing expense.

Every time

a parish helped someone in need...

St. Vincent de Paul Church, Rancho Murieta (a mission of St. Joseph Parish, Elk Grove) rallied around a parishioner who was struck with an aggressive cancer, abandoned by her husband and had lost her home. A small community, yet large on giving, the parish used its Appeal funds to help pay for medicine and food and to keep her in shelter.

...you made the difference.
