NOTICE TO THE EMPLOYEE: The medical/family leave policy of the Parish/School/Diocese requires that you submit a timely, complete, and sufficient medical certification to support a request for medical/family leave due to your own serious health condition, and your response is required to obtain or retain the benefit of the policy. Failure to provide a complete and sufficient medical certification may result in a denial of your medical/family leave request. Your leave is "pending" (awaiting approval) until the Parish/School/Diocese receives the required medical certification.

FOR COMPLETION BY THE HEALTH CARE PROVIDER

Instructions To The Health Care Provider: Your patient has requested leave under the medical/family leave policy of the Parish/School/Diocese. Please answer, fully and completely, all the applicable parts below. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine coverage under the policy. Please limit your responses to the condition for which the employee is seeking leave. Please be sure to sign the form on the last page. Thank you.
