Bearers of Hope Service Project

Every girl will be required to conduct a service project. The project selected for the retreat will be for each Scout to collect a combination of new or gently used baby clothes and/or new toys. Contact friends, family, troop or crew members, stores, fellow parishioners to help you in this endeavor. The purpose of this project is not for the Scout to go out and purchase items, although you may contribute, but to call on others to help.

At a **minimum** each scout should bring at least 4 items.

The items will need to be brought to the Retreat to receive credit for this portion and will be signed off during registration only.

All items collected will be donated to the Bishop Gallegos Maternity Home on Saturday. A representative will come to Marengo to pick them up.
