**Subject:** Announcing the brand new Diocese of Sacramento website

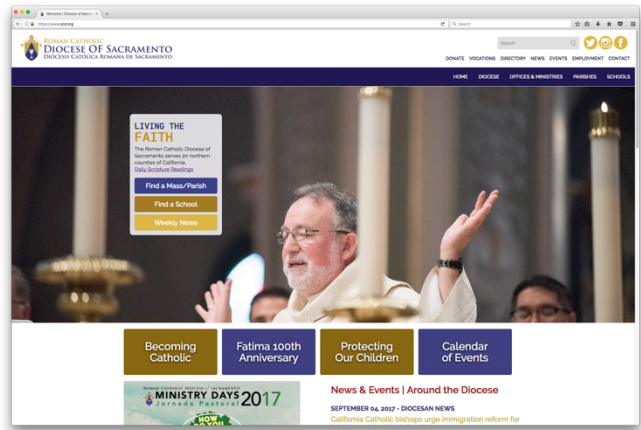

Hello!

The wait is finally over! The Diocese of Sacramento website has been refreshed and is now LIVE: [www.scd.org](http://www.scd.org)

*Before*

*After*

The new website puts front and center the information that Diocesan website visitors need most: finding a parish, finding a school, and official news from the Diocese. Each parish and school has their own “profile page” which contains a high resolution photo of your location, general contact information, and links back to your website. Want to share the latest news, events, or resources from the Diocese? Each of these are easily shared to Facebook with just one click using the integrated “Share” button: [Share](#)

I invite you to spread the word about the new website using the following announcement in your parish bulletins:

### **Announcing the brand new [www.scd.org](http://www.scd.org)**

We're always looking for ways to improve the user experience, so don't hesitate to reach out to me if you have any suggestions.
