

WHOLE PERSON CARE SUNDAY

Caring for Our Sick and Dying
Sunday, October 29, 2017

Rising healthcare costs and a growing cultural blindness to the sanctity of life are driving the promotion of assisted suicide and euthanasia. How do we move beyond the politics and care for our loved ones who are seriously ill or dying?

Whole Person Care Sunday seeks to:

- Proclaim the inherent dignity of life at every stage
- Highlight the ministries to the sick and dying
- Provide practical resources and guidelines for end of life decision-making

The Diocese of Sacramento will host a series of regional workshops starting in November on *Caring for Our Sick and Dying*.
