Order Government-Issued Vital Records Online

Simple. Fast. Secure. Authorized.

When you order critical identity documents, like vital records, you don't want to fool around with an unauthorized service. VitalChek is the only external processor authorized across the nation for ordering official vital records like birth, death, marriage and divorce certificates online.

While we are not a government agency, we are authorized by – and work directly with – government agencies across the nation to provide these services on their behalf. They authorized VitalChek because the service we provide is easy and secure, with the fastest service and lowest cost you'll find online.

When you need birth certificates or marriage, divorce, or death records, VitalChek is your #1 authorized online ordering source.
