Mercy in Motion

2017 REPORT OF GRATITUDE

“Your kindness has brought hope and
the tender mercy of Jesus
to our neighbors in need.”

DEAR CO-WORKERS IN CHRIST:

EACH YEAR I appeal to your generosity on behalf of tens of thousands of individuals and families throughout our Northern California diocese. Each year you faithfully respond. Thank you.

In 2017 more than 25,000 of the Catholic Faithful contributed nearly \$3.7 million. Fifty percent of funds collected went to charitable organizations helping people to overcome poverty and rebuild lives with dignity. Twenty-five percent went back to your parishes to serve the needs of families in your neighborhoods. Twenty-five percent helped seminarians with their education and assisted children in at-risk communities with the cost of Catholic school education.

God’s abundant mercy enables us to bring His tender care to so many of our neighbors in need. To Him be all the glory and praise. Be assured of my prayers. May the joy and peace of the Lord Jesus abide always with you and yours.

Respectfully,

Mercy in Motion

Wayne and Jessica have each faced tragic circumstances in their lives — and have each found their way to Valley View in Chico, an independent living complex devoted to homeless individuals who struggle with mental illness. Unlike shelters or transitional housing, this program of *Northern Valley Catholic Social Service* gives residents a path to independence and support in coping with mental illness.

...a family recovered from great loss

She was nurse. He was a doctor. Until civil war drove them from their home in the Democratic Republic of the Congo. Pregnant and nearly homeless, Neema was guided to the *Sacramento Life Center* where life-sustaining services, medical care and a vast network of support led to job training, housing and the resources to bring her husband to Sacramento. Today they are an independent and thriving family.

DEAR FRIENDS:

IT IS A GREAT BLESSING TO SEE THE DIGNITY AND HOPE made possible by the good works of Catholic charity programs and ministries supported by the Annual Catholic Appeal.

Every day, while working alongside other men and women of good will, Catholics go out to preach the Gospel of Joy through concrete actions of love: housing the homeless, feeding the hungry, protecting the unborn, and welcoming the stranger. It has been a true blessing for me to experience the efforts of staff and volunteers engaged in service to those on the margins, witnessing to them with joy.

On any given day, hundreds of thousands of people in the 20 counties of our diocese need help. By living the Gospel message of service to others, your continued and faithful support make it possible for this life-saving work to continue.

With gratitude,

...a child could stay in Catholic school

St. Vincent Ferrer School in Vallejo is one of several Catholic schools that provide faith-based values and innovative education in our most economically-challenged neighborhoods. The need for tuition assistance is great. Access to funds is challenging. Appeal funds helped bridge the gap for families in need.

\$538,000 helped families in our most economically-challenged communities to thrive in Catholic school.

DEAR FRIENDS:

CATHOLIC SCHOOL IS THE CHURCH'S MOST VALUABLE MINISTRY IN PREPARING OUR YOUTH for continued participation in the sacraments and in service, especially in our most vulnerable communities.

Your generosity in 2017 has made a specific and significant difference to schools that cannot raise enough funds for tuition-assistance on their own.

We are committed to the formation of children in the Diocese of Sacramento in the understanding that they, too, are called to serve. The future of our Church and our country relies on our ability to effectively educate Catholic youth in an environment where our children learn and grow with Christ. Your generosity supports this most important endeavor.

I thank God for the opportunity to share in this mission with you, and remain always,

Your fellow servant in Christ,

...a parish helped someone in need

On Sundays, trained volunteers from Fairfield, Vallejo and Benicia parishes visit the local jails. *St. Vincent de Paul* is working hard to address this under-served work of mercy, bringing hope to men and women inmates who yearn for God's presence and a sense of worth as human beings. Brian and Ana oversee this mission with love and compassion.

DEAR FRIENDS IN CHRIST:

EVERY YEAR, WE FEEL THE BLESSING of new priests being ordained to serve in our parishes.

The journey towards priesthood starts with the calling, that is, when an unmarried man feels in his heart the invitation from God to be a priest of Christ. Formation includes four years of college focused in philosophy, two years of theology, a pastoral year (the experience of living in a parish for a school year), and another two years of theology.

Your support has allowed us to once again ensure the preservation of a supportive community for those who have committed themselves to this journey in service to Christ.

I am grateful for the difference you have made to the one candidate in English studies, five who are at college and pre-theology level, the two in pastoral year and twelve at theology level, who, after success in their preparation, will have the opportunity to be ordained to the priesthood and to serve the people in our Diocese.

We are all humbled by your generosity.

Sincerely in Christ,

Fr. Jovito Rata
Director, Office of Vocations

Every time

...a seminarian moves closer to ordination

"Our diocese paid for most of my seminary education. My parents are farmers. Without financial help they could not have paid for my education. Thanks to you, men like me graduate and are ordained as priests for our diocese. Here I am now, serving you the best way I can." - *Fr. Gullermo Ramirez, ordained in 2013*
