Safe Environment

To: Pastors and Parish Safe Environment Contacts
Fr: Katita Schloemann – Safe Environment Coordinator
Re: 2018-2019 Safe Environment Audit Notices – May 6th

Yearly Safe Environment Audit Notices have been sent out to each of the parish safe environment contacts. Audit notices are due back to the safe environment department by **May 6th**. Please ensure that all summary evaluations and any opt out forms for Circle of Grace have been submitted (these were due January 1st). This is a required component of the audit.

Please feel free to contact the Safe Environment Department with any questions.
