THE CHARTERED ORGANIZATION AGREES TO:

1. Conduct the program according to Trail Life USA’s national policies and guidelines.
2. Include Trail Life USA as part of its overall program for youth and families.
3. Appoint a Chartered Organization Representative (C.O.R.), who will serve as a liaison between the charter organization and the troop. He may also be asked to serve as charter organization’s voting member of Trail Life USA. The Chartered Organization Representative (or Institutional Head) must approve all leader applications and verify that each leader meets the Membership Standards before submitting the application. A leader is not approved until these steps are completed and he is cleared (pending a background check).
4. Appoint at least three other Troop committee members, who screen and select all Troop leaders; each must meet the charter organization’s standards as well as the leadership standards of Trail Life USA. Committee members have specific titles and roles:
   a) Chairman  
   b) Treasurer  
   c) Troopmaster  
   d) Troop Chaplain  
   e) C.O.R.
   This is called the **core leadership team**. These must be non-duplicated positions—no person holding more than one role on the Committee—except the C.O.R., who may also serve as Troop Chaplain. Other adult members may be added as desired, each having a specific role (New Member Recruiter, Activities Planner, etc.), but do not have the same authority as the core leadership team.
   Select a sufficient number of leaders to oversee youth meetings and activities. A minimum of two adults (21 or older) must be present at any Trail Life USA gathering. Since there are three distinct age levels, usually meeting separately, a Troop having all three levels would need at least six “direct contact” leaders: **three Trail Guides** (each assisting the) **Ranger, Trailmaster, or Advisor** (top leaders at each level).
5. Provide adequate facilities for the Troop to meet on a regular schedule with time and place reserved.

TRAIL LIFE USA AGREES TO:

1. Respect the aims and objectives of the organization and offer online, printed, and volunteer support resources to help in meeting those objectives.
2. Make available training, service, and program materials to the organization and its Troop.
3. Make available proven methods for selecting quality unit leaders.
4. Provide general liability insurance to cover the Chartered Organization, its board, officers, representatives, employees and volunteers currently registered with Trail Life USA. Coverage is provided with respect to the claims arising out of official Trail Life USA activities; coverage is excess over any insurance which may be available to the volunteer. [For loss arising from the ownership, maintenance, or use of a motor vehicle or watercraft, insurance is only available while the vehicle or watercraft is in use by a Trail Life USA Troop and being used for an official Trail Life USA activity.]
