We were made to converse with God and to share his good word with one another

By Bishop Jaime Soto
Adapted from the homily used for confirmations in 2019

Most of our days are filled with conversations at home, at school, while working, while shopping, or spending time with friends. Conversations, either verbally or through texting, are the way we present ourselves to others. They are the way we explain ourselves, promote ourselves, and reveal who we are to those around us. In large measure, they are the way that others understand us as well as how we come to know and understand others.

Conversations are also an important part of how we learn and grow. This is why parents are encouraged to engage even young infants in conversation. In doing so, children not only acquire language skills; they learn to understand themselves as part of a family and a community.

So much good can come from conversations. They can also cause great harm. Conversations can be cruel: gossip, harsh judgment, angry arguments, vulgar language, and even the cold shoulder. Whether verbally or through Twitter, words can bite and bruise.

Conversations are an ordinary part of who we are. They are also a vital part of how we live our faith. Jesus spent much of his life and ministry in conversation, with his disciples, with the Pharisees, with the sick, with lepers, with children and with sinners. Even as he hung in agony on the cross, Jesus still conversed with the repentant thief who hung beside him. (Lk 23:39-43) For Jesus, conversation was a vital part of salvation. For his disciples, then and now, the same is true.

Do our conversations with others share the same qualities as the conversations of Jesus with his disciples? How do we transform our conversations so that we follow the example of Jesus? How do we fill our heart as well as our speech with the wisdom, the mercy and the courage of Jesus?

Understand what a precious gift a conversation is. The ability to speak and converse is a gift. It is a gift we must learn to use well through practice, study and good example. Good conversation takes lifelong learning. To converse is very human. To converse well is divine. God created the world in a conversation. “Let there be light” and the light was good. This is how the world began, with a conversation that created something good.

God created each of us with a word. We believe that each of us was spoken into being by God’s word. God had something to say to the world so he created each one of us. We are part of his ongoing creative conversation with the world. We were made to converse with God and to share his good word with one another.

More than fifty years ago, St. Catherine of Alexandria Catholic Church in Morgan Hill, California moved to a new location and built a temporary church building to serve their growing parish. Although in great need of a better space, the parish continued to worship in the interim building for many years. CCS partnered with St. Catherine of Alexandria to manage a capital campaign to fund the renovation and renewal of their worship space. Under Fr. Sergio Ovando’s leadership, the *Preserving our Past, Providing for our Future* campaign successfully raised over $5.5 million to support the renovation of their spiritual home.

Guidelines for Celebrating the Sacrament of Marriage

Requirements

The Catholic Church has established a number of basic requirements for the celebration of the Sacrament of Marriage. In order to fulfill these requirements, to ensure sacred celebration of the Sacrament and to facilitate preparation for marriage, the Diocese of Sacramento has adopted the following policies:

1. Initial Contact

Engaged couples desiring to be married in the Catholic Church must contact their parish priest, deacon or pastoral minister at least six months prior to the anticipated wedding date. It is recommended that couples make contact with the parish at the very beginning of their engagement.

2. Assessment Process

Every couple is asked to participate in an assessment process with the priest, deacon or pastoral minister. This process is designed to assist both the couple and the priest/deacon or pastoral minister in assessing the engaged couple's readiness for marriage. The process begins with an initial interview with the priest, deacon or pastoral minister. As part of the process, each engaged person is to complete a questionnaire or inventory tool.

The inventory tools which are approved in the Diocese of Sacramento are FOCUS (Facilitating Open Couple Communication, Understanding and Study), PREPARE/ENRICH, FULLY ENGAGED and PMI (Pre-Marital Inventory). A decision to proceed with, or delay, the wedding is made by the facilitator and the couple following the assessment process. The wedding date will be finalized only at this time.

3. Special Circumstances

The bridegroom and bride are to share with the priest, deacon or pastoral minister any of the following circumstances:
- If one or both are under the age of twenty (20);
- If there is a pregnancy involved;
- If they are presently cohabiting (living together);
- If one of the engaged is not Catholic;
- If one or both have been married before in any type of ceremony or common law union;
- If they are now civilly married and wish to have their marriage convalidated in the Catholic Church.

It is a canonical requirement (“canonical form”) that a Catholic be married before a properly delegated priest or deacon and two witnesses. A Catholic who marries outside the church without a dispensation from the canonical form does so invalidly, i.e., the Church does not recognize the marriage. Some circumstances require special steps to assist the couple in preparing for marriage in the Church. If any of these special circumstances exist, it does not necessarily mean that one cannot be married in the Church. However, it does mean that an honest discussion of these circumstances should take place between the couple and the marriage preparation facilitator.

4. Place of the Wedding

Two parties who reside outside the diocese and are requesting to be married within the diocese should normally do their marriage preparation in their home parish/diocese. Since the parish church is the spiritual home of the family of God and the heart of sacramental life and ministry, when two Catholics marry, they are expected to marry in the parish church of either the bride or the groom. For any exceptions, please refer to the diocesan policy.

5. Required Documents

The priest, deacon or pastoral minister who is preparing the engaged persons for marriage will assist them in obtaining the following documents:
- Baptismal Certificate(s): The baptismal certificate of the Catholic(s) should be issued within the last six months and include any notations (regarding other sacraments received). A certificate of baptism is also required of a non-Catholic Christian.
- A Letter of Freedom (Form B) is to be completed by two witnesses on behalf of each engaged person (i.e. two forms for each of the engaged). Forms are available at the parish.
- A Pre-Nuptial Inquiry (Form A) is to be completed by each of the engaged. This inquiry includes questions regarding one's freedom to marry and one's views on Christian marriage.
- State of California Marriage License: Unless the license is present, no wedding can occur.
- Confirmation Certificate(s): If it can be celebrated without serious inconveniences, Catholics who have not yet received the sacrament of confirmation are to receive it before being admitted to marriage.
- Permission for a Mixed Marriage (for a Catholic to marry a person baptized in a non-Catholic Christian denomination).
- Petition for Dispensation for Disparity of Worship (for a Catholic to marry a non-baptized person).

All documents are to be kept on file at the parish where the wedding takes place.

6. Required Marriage Preparation Programs

Marriage Preparation Programs

There are three different formal marriage preparation programs in the Diocese of Sacramento. The pastor or his delegate will meet with the engaged couple to determine which program best meets the couple’s needs:

1) Parish-based marriage preparation class. These classes consist of four to six short sessions (one to two hours) usually spaced a week apart, held in small group settings at a host parish. Though a host parish will offer these classes mainly for the sake of its own engaged couples, it may also welcome couples from other parishes.

2) Engaged Encounter weekend. This is a weekend retreat experience presented by two married Catholic couples and a priest. It is designed to help engaged couples self-reflect, communicate, understand their sexuality, etc. The main thrust of the weekend is personal reflection and dialogue. The retreat is offered five times per year at a local retreat center. For more information and to register, go to http://SacEE.org.

3) Online marriage preparation. For engaged couples unable to attend either a parish-based marriage preparation class or the Engaged Encounter weekend, an online course is available. This interactive course lasts from one week.
(minimum) to three months (maximum), depending upon the couple’s pace. Each couple is assigned a personal instructor who follows them throughout the course. For more information and to register, go to http://www.catholicmarriageprep.com.

Natural Family Planning Overview Session

In Natural Family Planning (NFP), the couple understands, accepts and uses their God-given phases of fertility and infertility for the purpose of achieving or avoiding pregnancy. In this way, the unitive and procreative, the love-giving and life-giving meanings of sexual intercourse are maintained together in a responsible way. The NFP component for marriage preparation is to be a minimum of one full hour of information and discussion provided by an individual or couple with specific training and expertise in NFP. A certificate of attendance will be given to the couple and must be submitted to the pastor or his delegate.

A current list of NFP instructors in the Sacramento area is available at www.sccdec.org/nfp-teachers. If an instructor is not available from this list, the couple may receive this introductory class from a certified instructor outside of the Diocese in either a live class setting or on-line. Contact the Diocesan NFP Coordinator at 916-733-0133 to discuss.

7. CELEBRATION OF CEREMONY BY VISITING PRIEST OR DEACON

If a priest or deacon other than the one assigned to the parish where the wedding is held is to witness the exchange of vows, he must receive specific delegation from a priest of that parish in order to officiate at the ceremony. To make these arrangements, the engaged couple must inform the parish immediately of their desire to have a visiting priest or deacon officiate the ceremony.

If the priest or deacon is from out of town, or is not able to handle the couple’s preparation, it remains the responsibility of the local parish priest, deacon or pastoral minister.

8. CELEBRATING OF THE SACRAMENTS

Catholic engaged persons are expected to celebrate the Sacrament of Penance (regularly) and the Sacrament of Holy Eucharist (at least once a week on Sunday) as part of their preparation process. The celebration of the sacraments will prepare the couple for a more meaningful experience of the wedding liturgy and deepen their relationship with Jesus Christ who is the source of fruitful married life.

9. PREPARATION FOR THE MARRIAGE LITURGY

It is the responsibility of the engaged couple to take seriously the planning of the wedding liturgy. To assist the couple, suggested readings, music guidelines and a wedding planning sheet are available from the parish.

10. ADDITIONAL PARISH REQUIREMENTS

In addition to the above requirements, there may be additional requirements of the particular parish.

Participation in the Most Holy Eucharist

Canon 916: A person who is conscious of grave sin is not to celebrate Mass or receive the body of the Lord without previous sacramental confession unless there is a grave reason and there is no opportunity to confess; in this case the person is to remember the obligation to make an act of perfect contrition which includes the resolution of confessing as soon as possible.

Canon 917: A person who has already received the Most Holy Eucharist can receive it a second time on the same day only within the eucharistic celebration in which the person participates.

Canon 919 § 1: A person who is to receive the Most Holy Eucharist is to abstain for at least one hour before holy communion from any food and drink, except for only water and medicine.

Canon 919 § 3: The elderly, the infirm, and those who care for them can receive the Most Holy Eucharist even if they have eaten something within the preceding hour.

Guidelines for the Reception of Baptism

Baptism of Infants

Canon 867 § 1: Parents are obliged to see to it that infants are baptized within the first weeks after birth; as soon as possible after the birth, or even before it, parents are to go to the pastor to request the sacrament for their child and to be prepared for it properly.

§ 2: An infant in danger of death is to be baptized without any delay.

Canon 868 § 1: For the licit baptism of an infant it is necessary that:

• the parents or at least one of them or the person who lawfully gives their place gives consent;

• there be a founded hope that the infant will be brought up in the Catholic religion; if such a hope is altogether lacking, the baptism is to be put off according to the prescriptions of particular law and the parents are to be informed of the reason.

§ 2: The infant of Catholic parents, in fact of non-Catholic parents also, who is in danger of death is licitly baptized even against the will of the parents.

Canon 872: Insofar as possible, one to be baptized is to be given a sponsor who is to assist an adult in Christian initiation, or, together with the parents, to present an infant at the baptism, and who will help the baptized to lead a Christian life in harmony with baptism, and to fulfill faithfully the obligations connected with it.

Canon 873: Only one male or one female sponsor or one of each sex is to be employed.

Canon 874 § 1: To be admitted to the role of sponsor, a person must:

• be designated by the one to be baptized, by the parents or the one who takes their place or, in their absence, by the pastor or minister and is to have the qualifications and intention of performing this role;

• have completed the sixteenth year;

• be a Catholic who has been confirmed and has already received the sacrament of the Most Holy Eucharist and leads a life in harmony with the faith and the role to be undertaken;

• not be bound by any canonical penalty legitimately imposed or declared;

• not be the father or the mother of the one to be baptized.

§ 2: A baptized person who belongs to a non-Catholic ecclesial community may not be admitted except as a witness to baptism and together with a Catholic sponsor.
Baptism of Adults and Children of Catechetical Age
Adults and children of catechetical age seeking baptism participate in the Rite of Christian Initiation of Adults (RCIA). This process, which includes liturgical rites, a program of formation and catechetical instruction, should be in place in each parish. Please refer to the Diocesan RCIA Guidelines for additional details.

GENERAL LAWS OF FAST AND ABSTINENCE

Canon 1249: All members of the Christian faithful in their own way are bound to do penance in virtue of divine law; in order that all may join in a common observance of penance, penitential days are prescribed in which the Christian faithful in a special way pray, exercise works of piety and charity, and deny themselves by fulfilling their responsibilities more faithfully and especially by observing fast and abstinence according to the norm of the following canons:

Canon 1250: All Fridays through the year and the time of Lent are penitential days and times through the universal Church.

Canon 1252: All persons who have completed their fourteenth year are bound by the law of abstinence; all adults are bound by the law of fast up to the beginning of their sixtieth year. Nevertheless, pastors and parents are to see to it that minors who are not bound by the law of fast and abstinence are educated in an authentic sense of penance.

Canon 1253: It is for the conference of bishops to determine more precisely the observance of fast and abstinence and to substitute in whole or in part for fast and abstinence other forms of penance, especially works of charity and exercises of piety.

While abstinence from eating meat is observed on every Friday during Lent and abstinence and fasting are observed on Ash Wednesday and Good Friday, in 1966, the United States bishops determined that penances other than abstinence from meat could be practiced on Fridays throughout the year. Nonetheless, every Friday during the year is “a day of self-denial and mortification in prayerful remembrance of the passion of Jesus Christ.” The bishops added that among freely chosen penitential practices, “we give first place to abstinence from flesh meat. We do so in the hope that the Catholic community will ordinarily continue to abstain from meat by free choice as formerly we did in obedience to Church law.” (Complementary Norms on Penance and Abstinence, 1966)

DIRECTIVES FOR FIRST PENANCE AND FIRST COMMUNION

Canon 914: It is the responsibility, in the first place, of parents and those who take the place of parents as well as of the pastor to see that children who have reached the use of reason are correctly prepared and are nourished by the divine food as early as possible, preceded by sacramental confession; it is also for the pastor to be vigilant lest any children come to the Holy Banquet who have not reached the use of reason or whom he judges are not sufficiently disposed.

The following guidelines incorporate the pastoral norm of the universal Church and particular law of the Diocese of Sacramento:

• Children are to be prepared for First Penance and receive the Sacrament of Penance prior to receiving First Communion. Both sacraments would generally be received in grade two. First Penance would normally be received a couple of months or more before First Communion.

• In a given parish, First Communion could be postponed to third grade, if indicated by available resources, the number of children or the time needed for adequate preparation of both children and parents.

• The readiness required for the Sacrament of Penance consists in the capacity to discern between right and wrong, together with an understanding, appropriate to the child’s age, of what sin is. The readiness required for First Communion is not dissimilar: the ability to recognize the difference between the Eucharist and ordinary bread (and wine).

• Children who are well prepared for Penance generally welcome this opportunity to experience God’s mercy. Parents/guardians of a child occasionally may indicate that their child is “too young” for Penance. In such a case, after due pastoral discernment, delay of both Penance and Communion is often the most suitable resolution.

• The universal law, as reiterated by the particular law of our Diocese, does not permit the parish program to orient the class as a whole away from receiving First Penance prior to First Communion. The pastoral norm is: First Penance prior to First Communion.

• Delaying the preparation and reception of First Penance until sometime after First Communion is not permitted by the universal Church or by the Diocese of Sacramento.
The Jesuit High School experience does not end with graduation, but is instead a lifelong commitment. Our goal is to inspire and enable graduates to be “Men for Others” by putting their values into action with an active life of service for humanity, all for the greater glory of God.

*The Official Catholic Directory (2018 data)*
In 1850, the city of Sacramento was a mission of the Church of Saint Francis, in San Francisco. Today, it is the see city of the Catholic Diocese of Sacramento, comprising 42,000 square miles of territory.

On August 10, 1850, Father Peter Anderson, OP, celebrated the first Mass in Northern California, in a private home on 5th and L Streets, in the city of Sacramento. Anderson was a Dominican priest and a missionary. He had been sent to California by his provincial, Father Joseph Sadoc Alemany, OP, who later became the first American bishop in California.

Included in the congregation of that first Mass was the Honorable Peter Burnett, the first governor of California. He was so convinced that Catholicism had come to Sacramento to stay that he gave Father Anderson a plot of land on 7th and K Streets. It became the future site of the first of four churches named after Saint Rose of Lima, the patron saint of the seminary at which Anderson studied in Kentucky.

The first of the four churches was a simple wooden frame structure that went up rapidly enough and came right down again with a strong wind. Unfortunately, Father Anderson didn’t live long enough to see the church; he died of exhaustion and sickness while helping the sick during a cholera epidemic in Sacramento, just three months after he arrived. He was, in the full sense of the word, a martyr of charity—recognized as such as early as 1850.

On September 27, 1860, after 10 years of sending missionaries into Northern California from San Francisco, the Marysville vicariate was established. It included all of Northern California and most of the state of Nevada. The first Vicar Apostolic was Bishop Eugene O’Connell, who had previously been a professor at All Hallows Seminary in Dublin, Ireland. His reaction to being named bishop was, “I am condemned to the mines!”

By March 3, 1868, the vicariate of Marysville had sufficient priests and people that it could stand on its own as a diocese. Consequently, Pope Pius IX created the Grass Valley Diocese, with Bishop Eugene O’Connell as its first and founding bishop. He served from 1868 until March 17, 1884, when he resigned. He died in Los Angeles on December 4, 1891.

The man who took O’Connell’s place as bishop of the Grass Valley Diocese was one of the legendary figures in California history, Patrick Manogue. Student, gold miner, seminarian, and priest of the Comstock, Manogue built the Cathedral of the Blessed Sacrament when he became the first and founding bishop of a new diocese created on May 28, 1886, by Pope Leo XIII. The new Diocese of Sacramento was created out of the old Grass Valley Diocese, with Bishop Eugene O’Connell as its first and founding bishop. He served from 1868 until March 17, 1884, when he resigned. He died in Los Angeles on December 4, 1891.

Bishop Manogue died on February 27, 1895, in the cathedral rectory. His good friend and the rector of the cathedral, Father Thomas Grace, was present at his death.

On June 16, 1896, Father Grace (1841-1921) was consecrated the second bishop of the Diocese of Sacramento. For 25 years, Bishop Grace guided the diocese through a period of transition from its pioneer days to a more modern period. He was indefatigable in traveling the length and breadth of the diocese, even against the advice of friends.

The next bishop of Sacramento was Father Patrick J. Keane, DD (1872-1928), a priest of the Archdiocese of San Francisco. He was consecrated as an auxiliary bishop by Bishop Grace on December 14, 1920, and succeeded him as the third bishop of the diocese on March 17, 1922. His short tenure of six years was characterized by the formation of a system of parochial schools. He died September 1, 1928.

The fourth man to be consecrated bishop of Sacramento was Father Robert Armstrong. Born in San Francisco in 1884, he and his family moved to the Pacific Northwest, where he lived most of his life until he was appointed bishop on January 4, 1929. Previously, he had served for many years as parish priest in the Diocese of Seattle.

For 28 years, Robert Armstrong served as bishop of a diocese that originally comprised 91,562 miles. He inaugurated a period of considerable growth in which over 28 new parishes were established; the work of caring for the socially disadvantaged was professionalized; and the quality of Catholic schools was upgraded. Bishop Armstrong died, after a long illness, on January 14, 1957.

Most Reverend Joseph T. McGucken, STD, LL.D., auxiliary bishop of Los Angeles, was appointed Coadjutor Bishop of Sacramento on October 26, 1955, and succeeded to the See upon the death of Bishop Armstrong. He was born March 13, 1902, in Los Angeles, and was ordained in Rome, January 16, 1928.

On February 21, 1962, Pope John XXIII appointed Bishop McGucken fifth Archbishop of San Francisco, where he was installed on April 3, 1962. At the same time, His Holiness announced a sweeping change in Northern California diocesan boundaries with the creation of three new dioceses: Oakland, Santa Rosa and Stockton. Sacramento ceded five counties to the new jurisdiction, Del Norte, Humboldt, Calaveras, Tuolumne and Mono; and added Solano County, formerly a part of the Archdiocese of San Francisco.

Pope John XXIII, on March 30, 1962, appointed the Most Reverend Alden J. Bell, DD, auxiliary bishop of Los Angeles, to become the sixth spiritual leader of the Sacramento Diocese. He was solemnly installed on May 15, 1962, in the Cathedral of the Blessed Sacrament.

On September 15, 1966, Alpine County was transferred from the Diocese of Sacramento to the Diocese of Stockton by Sacred Decree.

On February 26, 1974, Pope Paul VI appointed John S. Cummins as an auxiliary to Bishop Bell. However, within three years, he was selected as the second bishop of the Oakland Diocese.

Bishop Bell retired on July 11, 1979, at age 75. His years in the Diocese of Sacramento were busy ones since they demanded a flexibility in allowing and promoting the changes brought about because of the Second Vatican Council. He surrounded himself with people who were leaders in the field of social action and education. He also strongly encouraged the emerging lay ministry in the diocese. Bishop Bell died on August 28, 1982.

Five months after Bishop Bell retired, Pope John Paul II named Francis A. Quinn, then an auxiliary bishop of San Francisco, as the new archbishop of the See of Sacramento. On February 21, 1983, he was installed in the Cathedral of the Blessed Sacrament, successor to Bishop Bell. As his successor, he completed the work of Bishop Bell by working through the necessary changes in diocesan boundaries to accommodate the growth of the region. He continued Bishop Bell’s successful Catholic education program and saw the number of Catholic schools increase from 91 to 198.

During his time as archbishop, Pope John Paul designated the Archdiocese of San Francisco as a special “point of light” for dioceses worldwide. Archbishop Quinn was internationally known for his work in interreligious and intercultural dialogue and was the first American to receive a Nobel Peace Prize. He also served as president of the United States Conference of Catholic Bishops from 1995 to 2001.

The current archbishop of the Archdiocese of San Francisco is Salvatore J. Cordileone, who was installed on July 9, 2009. He succeeded Archbishop Quinn and continues to lead the archdiocese in serving the needs of the Catholic community in Northern California.
Francisco, as the seventh bishop of the Diocese of Sacramento. He was installed on February 18, 1980, in the Sacramento Memorial Auditorium.

Two years later, on September 1, 1981, John Paul II selected Father Alphonse Gallegos, OAR, Director of the Hispanic Affairs Division of the California Catholic Conference, as an auxiliary bishop to Bishop Quinn. He was ordained auxiliary bishop in the Cathedral of the Blessed Sacrament on November 4, 1981. After 10 years of pastoral ministry characterized by a special outreach to minority groups, Bishop Gallegos' life was cut short in an automobile accident. Thousands of people gathered for his burial rites in the Cathedral of the Blessed Sacrament on October 11, 1991.

Bishop Francis Quinn’s service to the Diocese of Sacramento was characterized by compassion, understanding, and the ability to choose good men and women to whom he delegated authority to promote and proclaim the Gospel of Christ in an increasingly complex world.

Bishop Quinn called for a year of celebration as the diocese reached its 100th birthday: 1886-1986. It was a year characterized by remembering our own history as well as a preparation for the celebration. The event itself was picked up by local television companies and filmed.

Under Bishop Quinn’s guidance, a diocesan-wide spiritual renewal program, called “Renew,” took root and flourished. A Pastoral Council consisting of priests, religious and lay persons was formed, which continues to this day. Its purpose is to represent life in the diocese and act as advisor to the bishop in his pastoral responsibilities.

During Bishop Quinn’s tenure, seven new parishes, several missions, two elementary schools and one high school were established. In 1992, a group of consultants met to prepare the second Diocesan Pastoral Plan.

Bishop Quinn’s request to retire was accepted in 1993. He dedicated the next 13 years to ministry with Native Americans in and around Tucson, Ariz. He returned to Sacramento in 2007 and resided at Mercy McMahon Terrace. He died on March 21, 2019.

On November 30, 1993, Pope John Paul II named Bishop William K. Weigand as successor to Bishop Francis Quinn. The former Bishop of Salt Lake City was installed in the Cathedral of the Blessed Sacrament on January 27, 1994, as the eighth bishop of the Diocese of Sacramento.

When the Diocesan Pastoral Center was completed early in 1994, the Bishop’s Office relocated to the new building at 21st & Broadway. So, too, did twelve of the diocesan departments, which had previously been at a number of different locations in the city of Sacramento. The people who staff these departments aid in promoting the Church’s mission to proclaim Christ and the Gospel. The Pastoral Center was blessed by Bishop Weigand on June 10, 1994.

On November 25, 1997, Pope John Paul II named Father Richard J. Garcia, from the Diocese of San Jose, the fourth auxiliary bishop of Sacramento. He was ordained by Bishop Weigand in the Cathedral on January 28, 1998. Nine years later, on December 19, 2006, Pope Benedict XVI appointed Bishop Garcia the fourth bishop of the Monterey Diocese. He was installed on January 30, 2007. While serving as Auxiliary Bishop, he served as Moderator of the Curia and Vicar for Hispanics and Other Ethnic Ministries. In addition, he represented the Church to countless pastoral and civic groups and, in particular, gave maximum quality time to the young people in our schools and youth groups. Bishop Garcia died on July 11, 2018.

To celebrate the Jubilee Year 2000, many faithful participated in pilgrimages to certain key churches in the diocese, an ecumenical event at Arco Arena, a Eucharistic Congress and other events. In addition, all the priests gathered for a historic five-day convocation.

During the convocation of priests in October 2000, Bishop Weigand proposed that a Diocesan Synod be held for the first time since 1929. After three years of preparation, clergy, religious and lay came together October 11-13, 2004 at St. Isidore Parish in Yuba City. Over three days, more than 400 synod members participated in a fruitful process of identifying seven main pastoral initiatives to guide the Diocese of Sacramento over the next five to ten years. The process to implement the synod initiatives was launched immediately after the closing of the synod.

Major renovations continued on the Cathedral of the Blessed Sacrament, which reopened in November 2005. Partial financial support for the Cathedral renovation was made possible by a successful diocesan capital campaign carried out in 2001 and 2002, which raised over $75 million for diocesan and parochial projects.

On October 11, 2007, Pope Benedict XVI named Bishop Jaime Soto, then auxiliary bishop of the Diocese of Orange, as coadjutor bishop of the Diocese of Sacramento. Bishop Soto was welcomed into the diocese on November 19, 2007. On November 29, 2008, Bishop William Weigand retired and Bishop Jaime Soto succeeded him as the ninth Bishop of Sacramento. Bishop Soto was born in Inglewood, Calif., and grew up in Stanton in Orange County. He graduated from St. Polycarp School and Mater Dei High School. He studied for the priesthood at St. John’s Seminary in Camarillo, receiving a bachelor’s degree in philosophy and a master’s degree in divinity. He was ordained for the Diocese of Orange in June 1982. He later earned a master’s degree in social work from Columbia University in New York City. He served with Catholic Charities in the Diocese of Orange for many years, as well as Vicar for the Hispanic Community. He was appointed Auxiliary Bishop of Orange on March 23, 2000 and was ordained on May 31, 2000.

On Jan. 24, 2014, Pope Francis appointed Msgr. Myron J. Cotta from the Diocese of Fresno as the fifth auxiliary bishop of Sacramento. He was ordained by Bishop Jaime Soto in the Cathedral on March 25, 2014. He grew up in the Merced County community of Dos Palos. He attended public and Catholic schools in Dos Palos and graduated from Dos Palos High School. He later attended West Hills Junior College and entered St. John’s College Seminary in Camarillo, Calif., in 1980 to finish his undergraduate studies and continued at the major seminary, where he finished his theological studies and received his master’s degree in divinity. He was ordained to the priesthood for the Diocese of Fresno on Sept. 12, 1987. He served in various assignments in the Diocese of Fresno. During his four years in the Diocese of Sacramento, Bishop Cotta served as Vicar General and director of ecumenical and inter-religious affairs. He was been instrumental in overseeing prison and jail ministry in the diocese. Pope Francis on Jan. 23, 2018 appointed Bishop Cotta as Bishop of the Diocese of Stockton, succeeding Bishop Stephen E. Blaire, who has served the Stockton Diocese since March 16, 1999. Bishop Cotta was installed as the sixth bishop of Stockton on March 15, 2018.
