Re: TRAINING WORKSHOP - New Order of Baptism of Children

About this Event

The Office of Worship, together with the Office of Family and Faith Formation, will be offering a free training workshop on the new “Order of Baptism of Children.” In addition to highlighting some of the updates and changes in the new book, we will also discuss “best practices” in terms of welcoming, preparing, and following up with families so that the whole process of baptismal prep is more nurturing and pastoral.

Those with a bent toward evangelization are also encouraged to attend.
