Director, Office of Family & Faith Formation

Revised & Updated, February 2020

## **Background**

According to the *California Catholic Conference Guidelines for Catechist Certification (2009)*, Master Catechists are “extensions of the teaching office of the Bishop, and are selected and commissioned to:

- A. Provide the specific formation and courses of studies and evaluations required by the diocese for catechists to obtain or renew a California Catechist Certificate.
- B. Provide workshops and in-services for the continued growth and formation of catechists and Catholic School teachers.
- C. Be willing to participate as a member of a catechetical leadership visioning Team.”

Furthermore, the California Bishops recommend that “in addition to the ‘Personal Qualities of a Catechist,’ the Master Catechist should have:

- A. A current California Catechist Certificate
- B. Proven expertise and recent experience in catechetical ministry at various age levels
- C. An ability to communicate and work effectively with adult learners in a formation setting
- D. The personal recommendation of the candidate’s pastor or other catechetical leader
- E. Evidence of ongoing education in: Theology, Catechesis, the teachings of the Church and Spiritual Development in light of Vatican II and post-conciliar Documents
- F. Evidence of the ability to work in multi-cultural situations
- G. An understanding of the purpose of the Master Catechist and a willingness to serve as such when certified
- H. An ability to study at an advanced level.”

The *Strategic Plan for the Diocese of Sacramento (2012)* calls for the development of “a native faculty of men and women to be master catechists so that there is a ready number of teachers for the ongoing formation of lay catechists and lay ministers in the Church.”

The strategic plan also recognizes that “an increase in the number of Master Catechists and certified basic catechists will allow the parishes to improve the quality of parish-based catechetical programs as well as expand opportunities for cradle-to-grave formation. The Diocese will have available a more accessible faculty of committed, competent Catholic catechists with whom to promote the on-going cultivation and training of catechists.”
