Safe Environment

Enough is Enough

EIE is dedicated to continuing to raise public awareness about online dangers, specifically the dangers of Internet pornography and sexual predators. EIE advances solutions that promote equality, fairness, and respect for human dignity with shared responsibility between the public, technology, and the law.

Helping you Talk to your Kids about

One-stop for an overview of advice from several child safety organizations on sexually explicit and violent material, meeting strangers online, sharing too much personal information, cyberbullying, exposure to vulgar language, sites promoting inappropriate behavior, and malware.

InternetMatters.org

Internet Matters is an independent, not-for-profit organization to help parents keep their children safe online. Internet Matters provides practical suggestions about how to take preventative measures, but also what to do if your family needs advice about a specific issue. Whether it's finding out about filters to search safely or what to do about cyberbullying, Internet Matters aims to put you in touch with the best resources and support.

Family online safety institute – Platform for Good

A nonprofit organization which enables teens, parents and educators to connect, teaching digital citizenship skills so that kids make safe, smart choices online.

ConnectSafely

ConnectSafely is for parents, teens, educators, advocates, policy makers – everyone engaged in and interested in the impact of the social Web.
