Dear Pastor/Youth and Young Adult Ministry Leader:

Over the past couple months the Regional Coordinators of Youth and Young Adult Ministry and I have been putting together an online resource for you. We have created a Youth and Young Adult ministry online handbook that contain resources for ministry, administration, calendar planning, and program ideas. These are a good place to start if you are new to ministry or a way to gain new skills if you have been in ministry for a while.

You can find the Youth and Young Adult Ministry Online Handbook at <https://www.scd.org/oyya/handbook>. This resource is not intended to replace the in person and virtual mentoring, training and support that I and the Regional Coordinators continue to offer. But this is intended to serve as an online library of resources, best practices, and encouragement for you.

Young people and our accompaniment of them is a dynamic reality. This resource will be continuously updated with new resources and strategies. If there is a resource that you come across that you would like to share, please contact us and we can add it.

Thank you for your continued support of the young church and please let us know how we can best assist and accompany you in that ministry.
