RE: The 2020 Stewardship Conference

The Catholic Foundation is hosting a Stewardship Conference on September [10, 2020](#). The Bishop and I encourage all of you to attend this informative meeting.

We will learn more about the four pillars of stewardship and how to apply them in your life and at your parish. In addition, we will hear from pastors from around the country who will share how Stewardship has transformed their parishes.

**Below is a link for the Stewardship conference registration.** Please feel free to forward this link to invite members of your pastoral and/or finance councils. Register early to reserve your spot.
