RETURN-TO-SCHOOL PLAN: COVID-19 PROTOCOLS

Our Lady of Grace School

Only our Best, Love from our Heart, Gospel Values

V 4.1

August 6, 2020

INTRODUCTION

We have created this plan to aid in navigating the reestablishment of Our Lady of Grace School where employees, students, and families feel safe and to reduce the impact of COVID-19 conditions upon returning to our school. Our needs and responses are different from public schools. Our site populations are relatively small, and we do not face certain complications like bussing, large special needs populations, collective bargaining, and ADA funding mechanisms. The guidelines in this plan are based on guidance from the Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO), and other applicable federal, state, and local agencies.

Our priorities are:

1. **Safety:** Mitigating and slowing the growth of COVID in the context of returning to our ministry. Understanding that there is an inherent risk to being in session on campus while in a pandemic, we also understand that we are part of a societal decision that accepts balancing COVID-19 risk against the need to maintain a semblance of normalcy for our children and their development.
 - a. Cohorts: In the spirit of “reducing the denominator,” Students are organized into discrete cohorts to minimize the spread of COVID-19 between groups.
 - b. Hygiene: Within cohorts, we will emphasize strong, hygienic practice.
 - c. Distance options: If a student or their family member is in a higher-risk group, we will give them the option of continuing independent, remote learning.
2. **Presence:** Keeping school open daily. We do not want to burden parents with challenging schedules that prevent them from working a full workday - we want our students at school in their cohort for the full day.
3. **Growth:** Despite limitations, we want our children to continue their academic progress at grade level in their faith and all core academic standards.

We have tailored this document specifically for our school environments and populations and will continue updating it with the best data and practices in mind. The school principal will share any updated documents on the school website and through the school information system.

APPENDIX F: APPLICATION FOR WAIVER	39

GENERAL PROTOCOLS

Social Distancing

- All persons on campus will practice social distancing of six feet whenever possible, and a minimum of three feet where impossible
- Close contact interactions (for the purposes of determining contact tracing) is considered < 6ft and > 15 minutes
- Signage will be used throughout campus to support social distancing and proper hygiene norms (Examples in Appendix B)
- Ad-hoc interactions by adults should be avoided
- Mass gatherings, such as in-person assemblies, are prohibited
- Students will be mindful of the social distancing and health practices as instructed or they will not be allowed on campus
- No more students will be admitted into a restroom at a time than there are sinks

Student Cohorts

- Outdoor spaces will be utilized as much as possible.
- Students will operate in cohorts at all times (courses, recess, lunches, etc.)
- Cohorts are not to share instructional spaces unless thorough cleaning occurs between uses
- Students will have a designated space solely for their use in their classrooms and the extended care space
- Students and staff will not share workspaces or supplies

Shared Spaces

Employees are encouraged to disinfect their workspace multiple times throughout the day, paying special attention to commonly touched surfaces. Sites have hand sanitizers and cleaning products accessible throughout the workplace to disinfect frequently touched objects and surfaces.

Classrooms

- Windows will be opened for proper ventilation.
- Classroom rugs, group tables, and superfluous furniture will be removed and individual desks installed.

- Students have their own designated desk with their own supplies, water bottle, cleaning materials, and hand sanitizer.
- Personal Space Desk Dividers
- Teachers will utilize outdoor space as much as possible.

Office Capacity

- Site will restrict the number of persons in the offices to maintain social distancing

Staff Lounge

- Staff lounge will be closed except for a scheduled copy machine use time.
- All meetings are required to use Zoom as a virtual option, even for employees in the same office or school.
- This includes the use of shared appliances such as coffee machines, refrigerators, and microwaves.

Parish Meeting Room

The Parish Meeting Room will be closed for school use until further notice. Classes that were once held in this room will not be held in the grade-level's classroom.

Hall/Gym

The gym will be converted to a space to ensure social distancing in the after school Extended Care program.

Other Facility Adjustments

- Drinking fountains will be turned off and an additional water bottle filling station will be added.
- Hooks will be installed to allow for room between student backpacks.

Screening

- Students and staff must conduct a daily self-check (See Appendix B Student Checklists) before they come to campus
- A temperature check will be conducted for all persons entering campus, and staff will complete an additional screening document (see Appendix B)
- During the day, any person experiencing or showing symptoms will report to the office designated isolation space for screening

- The principal will retain a record of employee temperatures in a locked cabinet for a minimum of 90 days
- If a staff member already at school shows symptoms as described above, a supervisor will allow them to go home without penalty for that day.

Personal Protective Equipment (PPE)

PPE is not a substitute for social distancing or proper handwashing. In addition to using PPE, please remember to:

- *Wash your hands often with soap and water for at least 30 seconds. Use hand sanitizer with at least 70% alcohol if soap and water are not available.*
- *Avoid touching your eyes, nose, and mouth.*

Face Coverings

Face coverings are an important part of employee protection, as well as personal hygiene, social distancing, and frequent cleaning efforts.

Everyone on campus must wear a mask, with the following exceptions:

- TK - 2nd grade students while seated at desks
- Students engaging in socially distanced (6' separation) outdoor physical activity
- **In limited situations** where face coverings cannot be used for pedagogical or developmental reasons, (i.e., communicating or assisting young children or those with special needs) **a face shield can be used** by staff in the classroom instead of a cloth face covering as long as the wearer maintains physical distance from others. Staff must return to wearing a face covering outside of the classroom.”¹
- Proper wear and care of face coverings found here: <https://bit.ly/washingfacecoving>

Gloves

All custodians and food services personnel must wear gloves

Touching your face with contaminated hands, whether gloved or not, poses a significant risk of infection. Wearing gloves does not diminish the need to wash your hands. Additionally, the proper removal of gloves reduces the risk of being exposed to contamination.

Delivering Instruction

- Staff will be trained in sanitation and hygiene instruction ([See Appendix E](#)).

¹ COVID-19 Industry Guidance: Schools and School-Based Program (CDPH 2020)

- Teachers will provide initial and routine instruction in social distancing and health practices to their students and provided to parents.
- Activities where there is an increased likelihood for transmission from exhaled droplets, such as band and choir , are not permitted unless outdoors
- Activities that involve singing must only take place outdoors
- Implement procedures for turning in assignments to minimize contact
- Consider the use of non-classroom space for instruction, including regular use of outdoor space, weather permitting
- Avoid sharing things; where sharing occurs, clean, and disinfect between uses
- Lessons that involve food prep, or shared snacks are prohibited (bake sales, friendships salads, etc.)

Visitor & Volunteer Protocols

The safety of our staff and students is our primary concern. Approved visitation by the principal will be conditional on the visitor passing the same screening process as staff.

We will not allow normal visitation to our campuses until our reopen date. Only diocesan scheduled workers are allowed on campus during preparation for reopen.

Once school reopens:

- Schools will limit volunteers on campus to those performing essential tasks
- Parent volunteers can only be permitted in their own child's classroom if deemed essential by the principal
- Volunteers supervising outdoor activities (such as yard duty) are permitted so long as they follow staff protocols

Food & Package Delivery

Bringing in food items, outside those provided through the school's official food service programs, or sharing refreshments is prohibited. Personal food or package deliveries is not permitted.

Travel Restrictions

Diocesan schools will discontinue staff travel to conferences and workshops until further notice unless pre-approved by the Catholic Schools Department.

1 COVID-19 Industry Guidance: Schools and School-Based Program (CDPH 2020)

COVID Symptoms and Case Response

Note: Each school has a designated contact tracer whose name is on file with the Catholic School Department and County Health.

Steps to Take in Response to Confirmed/Suspected COVID-19 Cases and Close Contacts (TABLE 1)

SCENARIO	IMMEDIATE ACTIONS	COMM.
<p>Scenario 1: A student or staff member either answers “yes” to a health screening question</p> <p>-OR-</p> <p>Exhibits the following COVID-19 symptoms</p>	<p>Student/staff are isolated at the site until they can be sent home or to a healthcare facility per CDPH guidance</p> <p>To return to school: Wait at least 10 days after symptom onset AND 24-hours after symptoms begin to improve AND at least 24 hours without a fever (without the use of fever reducing medications).</p> <p>-OR-</p> <p>If medical attention is needed, the individual should contact their healthcare provider. The healthcare provider will determine if the individual needs a COVID-19 test.</p> <ul style="list-style-type: none"> • If student/staff tests positive, see Scenario 3. • If student/staff tests negative, see Table 2 below. • In addition, the individual may have a medical note by a physician that provides an alternative explanation for symptoms and reason for not having a COVID-19 test (e.g., seasonal allergies) <p><u>School site will remain open</u></p>	<p>COVID-19 symptoms letter provided to individual or individual’s guardian</p>

<p>Scenario 2: A family member or someone in close contact with a student or staff member (outside the school community) tests positive for COVID-19</p>	<ul style="list-style-type: none"> • Student/staff sent home • RD & COVID-19 School Liaison notified • Student/staff instructed to quarantine/monitor for symptoms, even if they test negative, for a full 14 days after: <p>The date of last exposure to a COVID-19 positive non-household contact</p> <p>-OR-</p> <p>The date COVID-19 positive household member completes their isolation</p> <ul style="list-style-type: none"> • If student/staff begin to show COVID-19 like symptoms, it is recommended to be tested. • If student/staff test positive, see Scenario 3 <ul style="list-style-type: none"> • <u>School site will remain open.</u> 	<p>Student (Guardian) or Staff: Immediately notify the COVID-19 School Liaison if they are defined as a close contact of a confirmed case</p>
<p>Scenario 3: A student or staff member tests positive for COVID-19</p>	<ul style="list-style-type: none"> • Student/staff sent home, if not already at home • School administration, RD and county COVID-19 School Liaison notified • Public Health – School Unit (PHSU) notified • Close off and clean any areas used by the person who tested positive, per CDPH and CDC guidance • <u>Student/staff that tested positive:</u> will isolate for 10 days after symptom onset or test date • <u>School-based close contacts:</u> identified and instructed to self-quarantine and monitor symptoms for 14 days. <p>*If close contacts begin to show COVID-19 like symptoms, it is recommended to be tested. Testing does not shorten 14-day quarantine</p> <ul style="list-style-type: none"> • <u>School site will remain open.</u> 	<p>COVID-19 positive</p> <p>Individual: Notify school administration and/or COVID-19 School Liaison immediately</p> <p>School Site:</p> <ul style="list-style-type: none"> • Contact PHSU • Close Contact letter and Self-Quarantine Instructions sent to school close contacts within 48 hours. • Confirmed COVID-19 case notification sent to school community

Steps to Take in Response to Negative COVID-19 Test Result (TABLE 2)

SCENARIO	IMMEDIATE ACTIONS	COMMUNICATION
A student or staff member tests negative for COVID-19 after Scenario 1 (symptomatic)	Student/staff may return to school after 24 hours with no fever (without fever reducing medicine) and improvement in other symptoms.	Student family/staff to bring evidence of negative COVID-19 test or medical note if testing not performed
A student or staff member tests negative after Scenario 2 (close contact)	<ul style="list-style-type: none"> • Student/staff must remain in quarantine for a full 14 days after: <ol style="list-style-type: none"> 1) The date of last exposure to COVID-19 positive non-household contact <p style="text-align: center;">-OR-</p> <ol style="list-style-type: none"> 2) The date that COVID-19 positive household member completes their isolation 	No action is needed
A student or staff member tests negative after routine surveillance testing (no symptoms and no close contact to a confirmed COVID-19 case)	<ul style="list-style-type: none"> • Can return to school/work immediately 	No action is needed

(†) A contact is defined as a person who is <6 feet from a case for >15 minutes. In some situations, it may be difficult to determine whether individuals have

met this criterion, and an entire cohort or group may need to be considered exposed, particularly if they have shared time indoors.

(††) A cohort is a stable group with fixed membership that stays together for all courses and activities (e.g., lunch, recess, etc.) and avoids contact with other persons or cohorts.

Chart adapted from **COVID-19 and Reopening In-Person Learning Framework for K-12 Schools in California, 2020-2021 School Year** July 17, 2020

Additional Details

Distance Learning

Support students who are at higher risk for severe illness or who cannot safely distance from household contacts at higher risk, by providing options such as virtual learning or independent study (see Appendix D)

School Closure and Subsequent Reopening: The Catholic School Department in consultation with Public Health, will determine if a partial or full school closure is needed based on [guidance](#) and [recommendations](#) from CDPH. Please refer to the most current guidance, currently as follows:

State Criteria for Allowing In-Person Instruction: ([as of July 17, 2020](#))

- a) Closure: A school must close in-person instruction if the County is placed on the County Monitoring List (CML). If the County is added to the CML before school resumes, schools must conduct distance learning until the county is off the CML for 14 days. If the County is added to the CML, superintendents (in consultation with labor, parent, and community organizations) may request a waiver for elementary schools for in-person instruction. State guidance on waivers is forthcoming.
- b) Reopening: The school can reopen in-person instruction after the County has been removed from the CML for at least 14 days.

Local Criteria for Closure and Re-opening in response to COVID-19 Cases:

- c) Individual School Closure: Closure is recommended based on the number of cases, the percentage of the teacher/students/staff that are positive for COVID-19, and following consultation with the County Health Officer. For example, school closure may be appropriate in any of the following scenarios:
 - i) Multiple cases in multiple cohorts at a school
 - ii) There are at least 10 cases or 5 percent of the total number of teachers/student/staff cases within a 14-day period, depending on the size and physical layout of the school.

- iii) Public health investigation or other local epidemiological data results in the County Health Officer recommending school closure.
- d) School district closure: Closure by the superintendent is recommended when 25% or more of schools in a district have closed due to COVID-19 within 14 days, and in consultation with the local public health department.
- e) Reopening: Public Health and the school will be in communication throughout this process. School and school districts can typically reopen after 14 days and the following:
 - i) Cleaning and disinfection have occurred;
 - ii) Public health investigation is complete
 - iii) Local public health is consulted and has no concerns with re-opening.

SAFE ENVIRONMENT

The safety of our employees and students is our first priority. Upon reopening, our schools have been completely cleaned and disinfected and we will continue to adhere to all necessary safety precautions. Sites have considered the CDC guidelines for reopening buildings after an extended closure (see <https://bit.ly/cdcwater>). In addition, the process outlined below will routinely serve to protect everyone and reduce the risk of spread of infection.

Product Guides

Hand Sanitizer

Ethyl alcohol-based hand sanitizers are preferred and should be used when there is the potential of unsupervised use by children.

- Isopropyl hand sanitizers are more toxic when ingested or absorbed in skin.
- Do not use hand sanitizers that may [contain methanol](#) which can be hazardous when ingested or absorbed.

Cleaner

When choosing disinfecting products, **use** those approved for use against COVID-19 on the [Environmental Protection Agency \(EPA\)- approved list "N,"](#) and **avoid** products that contain peroxyacetic (peracetic) acid, sodium hypochlorite (bleach) or quaternary ammonium compounds, which can cause asthma.

General Disinfection Measures

Category	Area	Frequency
Workspaces	Classrooms, Offices	At the end of each use/day
Appliances	Refrigerators, Microwaves, Coffee Machines	Daily
Electronic Equipment	Copy machines, shared computer monitors, telephones, keyboards	At the end of each use/day and/or between use
General Used Objects	Handles, light switches, sinks, restrooms	After each recess
Common Areas	Cafeteria, Library, Conference rooms, Gyms, Common Areas	At the end of each use/day; between groups

Additional cleaning guidance available at <https://bit.ly/covidcdcclean>

Safe Water

- Use of drinking fountains is suspended; water bottle filling stations are provided.
- Flushing our water system and additional measures as needed have been taken per CDC guidelines to minimize the risk of Legionnaires' disease and other diseases associated with water.

HVAC Considerations

- Fresh outdoor air is introduced as much as possible - when using air conditioning, the setting that brings in outside air is used
- If opening windows poses a safety or health risk (e.g., by allowing pollen in or exacerbating asthma symptoms) to persons using the facility, we have considered alternatives such as installing portable high-efficiency air cleaners, upgrading the building's air filters to the highest efficiency possible, and making other modifications to increase the quantity of outside air and ventilation in classrooms, offices, and other spaces.
- Replace and check air filters and filtration systems to ensure optimal air quality on a schedule
- Ensure proper ventilation during cleaning and disinfecting
- When cleaning, air out the space before children arrive; plan to do a thorough cleaning when children are not present

School Procured Additional Supplies

Item	Quantity	Notes
<u>Hand Pump Sprayer</u>	1/classroom	For teachers to spray desks for students to wipe down.
Staff Gloves	500 count/class	Nitrile gloves
Bulk Hand Sanitizer	1/site	Refill station
Individual Pumps	1/person	1 per student/ 1 per teacher
Cleaning Solution		Alcohol-based
Student Towels/ Ziplock Bags		For cleaning personal work surface and storing clean and soiled towels
Pencil bag/pouch/boxes	1/student	
IR Therm	2/school	Housed in the school office
Acrylic/Plexiglass		Office counter & isolation space

Supplies Provided by Families/Students

Most student supplies will be purchased in bulk by the school in order to make sure all students have the same supplies and will not share them.

Item	Quantity	Notes
Water bottle	1	With drinking fountains turned off, students will be encouraged to fill bottles at home. They will have access to one of the touchless water bottle filling stations.
Backpack	1	Students will be assigned a hook where they will hang their backpack. The backpacks will be at a distance, as to not touch other backpacks. Students will have access to their backpacks in staggered groups.

Clean cloth face mask	1	
Towel	1	Students will bring a towel (beach towel for intermediate and middle school students) for use to sit on during outdoor instruction, work or lunch.

FACILITY ADJUSTMENTS

- Gym has been converted to a space to ensure social distancing in extended care
- Classroom rugs, group tables, and extra furniture has been removed and individual desks or tables installed with six-foot gapping between student stations
- Students have their own designated space (desk/table) with their own supplies, water bottle, cleaning materials, and hand sanitizer
- Signage will be added to the campus for social distancing reminders
- Social distancing and best practices signage posted around campus and distributed to families
- Hooks were installed for student personal supplies
- Sneeze guards will be added to the student desks.
- Sneeze guards will be added to the office desks
- Public space has been removed from the front office
- EcoLab sanitation stations installed at all custodial utility sinks

School Schedules and Routines

Morning Drop-Off

Drop-Off Hours: 7:30 AM - 8:00 AM

Staffing: Teachers and Aides

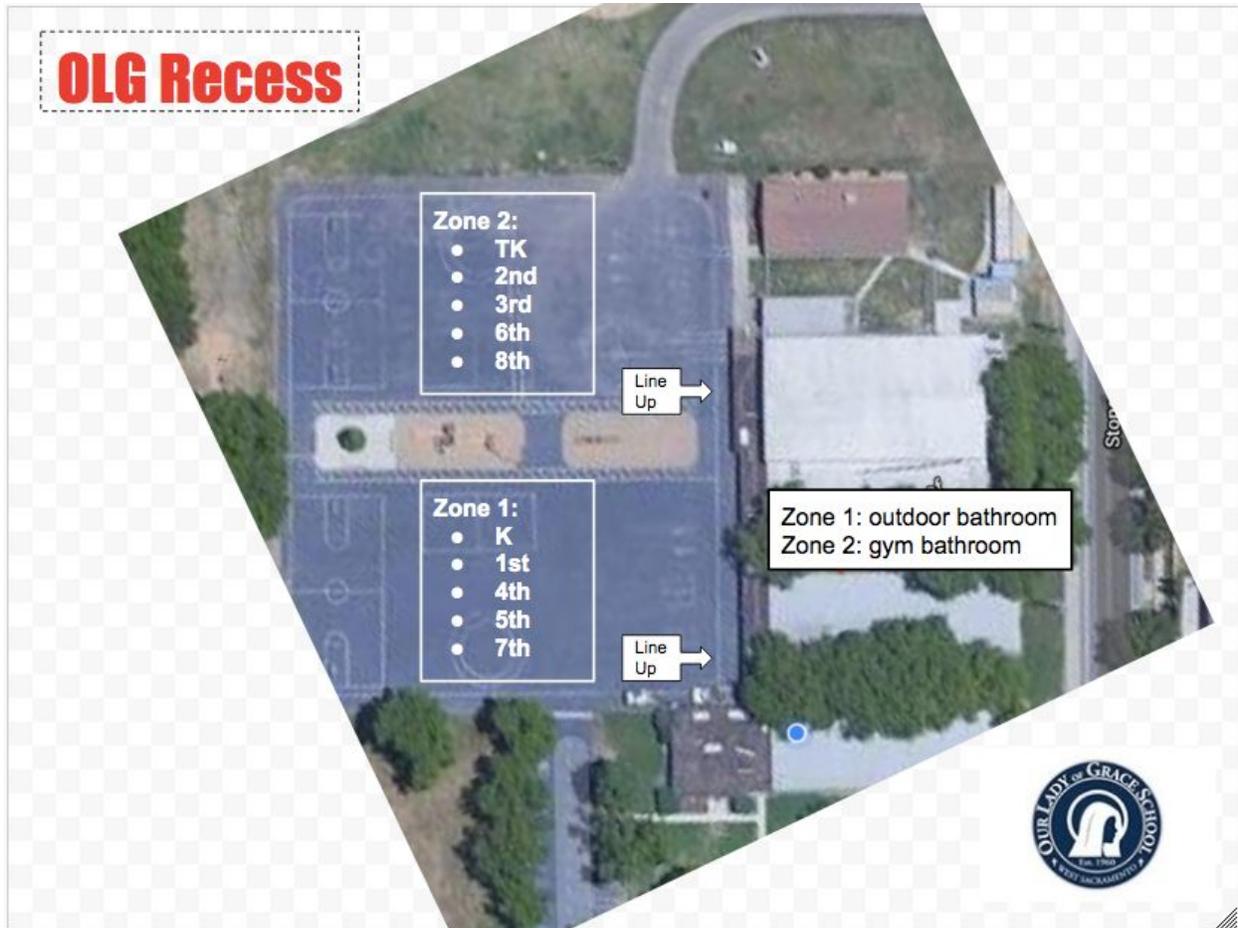

Protocol:

- Children exit the vehicle from the passenger side and have belongings with them.
- Drivers should not leave the vehicles.
- Both points of access will be supervised to prevent gathering of any sort.
- Students will exit their cars and go directly to their classroom.
- Teachers will welcome students at the door and follow student screening and entry protocol.

Recess and Physical Education

Staffing: Teachers and Aides

Protocol: Recesses and Physical education will be similarly structured, limiting free play to ensure distancing. Activities such as jump rope, calisthenics, and exercise where students can conduct independently will be the standards. Teachers will clean doorknobs after each recess/PE. PE will be held outside when possible. Students will recess in separate areas of the campus (Zone 1 and Zone 2). Play structures will not be in use.

Morning Recess

Assigned Area	Zone 1 (South) outdoor bathrooms	Zone 2 (North) gym bathrooms
9:30-9:45	K	TK
9:45-10:00	1st grade	2nd grade
10:00-10:15	4th grade	3rd grade
10:15-10:30	5th grade	6th grade
10:30-10:45	7th grade	8th grade

Lunch

Protocol: Students will eat lunch at their assigned seats in their classrooms or outdoors as much as possible when weather permits. . The hot lunch program, staffed internally will have lunch delivered to classrooms by an aide masked and gloved. Students will put their trash in their classes hall trash can.

Time	Zone 1	Zone 2
11:00-11:30	TK-K lunch	
11:30-11:45	K recess	TK recess
11:40-12:00	1st-2nd lunch	
12:00-12:15	1st grade recess	2nd grade recess
11:55-12:15	3rd-4th lunch	
12:15-12:30	4th grade recess	3rd grade recess
12:10-12:30	5th-6th lunch	
12:30-12:45	5th recess	6th recess
12:25-12:45	7th-8th lunch	
12:45-1:00	7th recess	8th recess

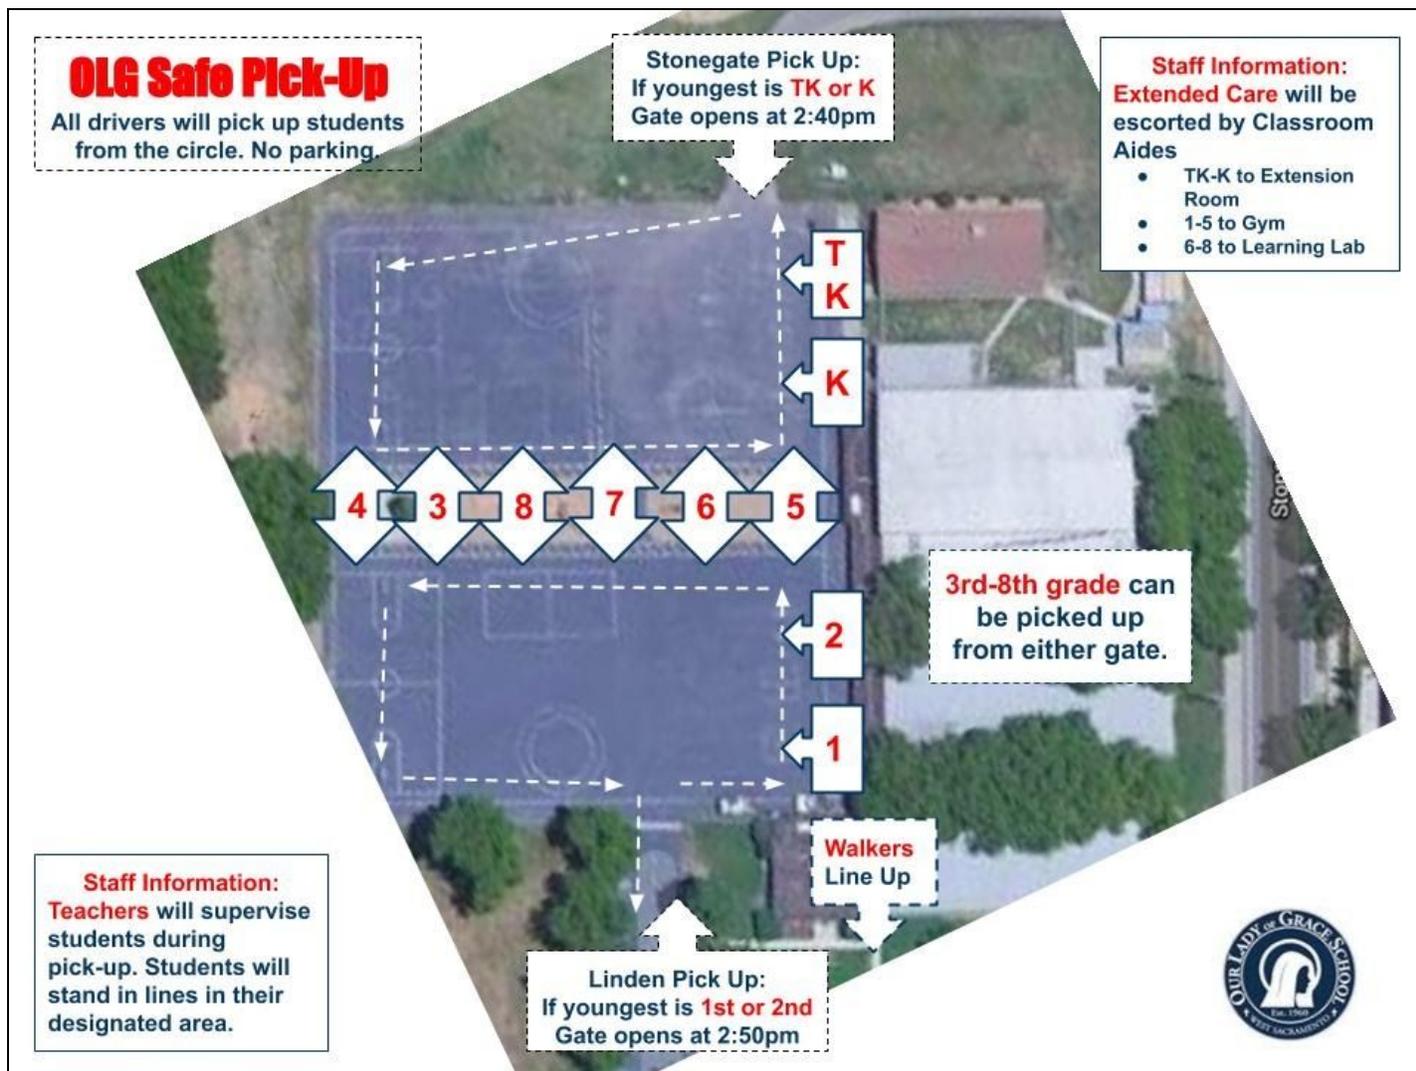

Masses

Students will attend masses outside with their class at 8:30am on Fridays (see school calendar) TK-8th grade masses will be held virtually and streamed in student classrooms.

After School Pick-Up

Time: 2:45pm TK/K, 2:55pm 1-5 and 3:00pm 6-8

Staffing: Teachers and Aides

Protocol:

- Campus will open beginning at 2:40pm.
- Students will be waiting in their assigned locations on the playground with their grade-level cohort.
- Children should enter the vehicle from the passenger side.
- Drivers should not leave the vehicles.

Extended Care

Hours of Operation: 2:45 PM - 6:00 PM

Staffing: School employees

Protocol: Extension will be held in the extended care room, and a converted cafeteria space, with each grade level having their own area and each student their own supplies. They will be the only population to use the space during the course of the day. Parents will pick-up following the Linden Gate traffic pattern at the gym entrance; they will not be admitted into the space.

APPENDIX A: FAQ

What if a student arrives late?

Students who arrive at school late will enter at Linden Rd. gate. Driver will push the video intercom button at the gate entrance and state their name and their student name. Office staff will sign students in. Students will go directly to class.

What about the traditional before school starts recess?

Grades will have a newly assigned structured recess time slot with their teacher, scheduled near the start of the school day in lieu of recess before school.

What if a student needs to use the restroom?

Restroom time is scheduled for a class during their allotted recess times, and at other class specific times during the day. Use outside of the schedule will be on a limited, case-by-case basis.

What is the plan for inclement weather recess and physical education?

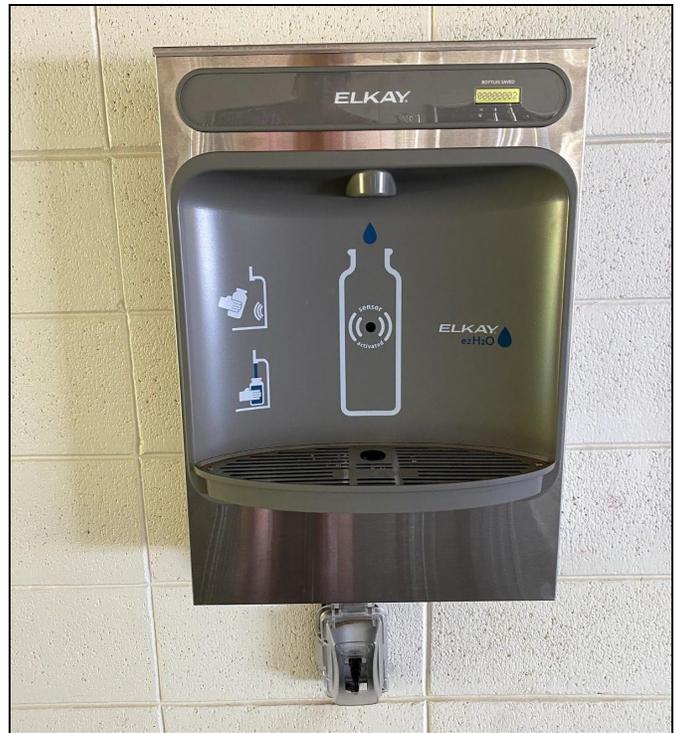

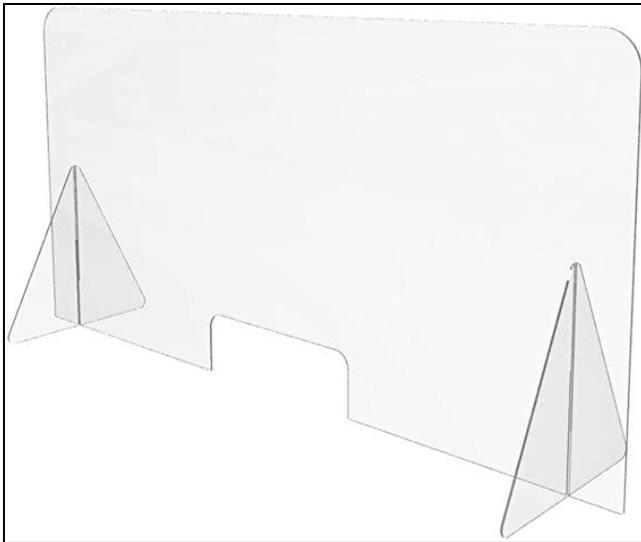

Students will remain in their classroom if it rains or the air quality prohibits being outside.

What if students are outside doing calisthenics during extension when a parent comes to pick up a child?

The extension employee at the entrance/cafeteria will radio the employee with the students on the playground to send up the student. The parent will not be admitted on campus to gather their child.

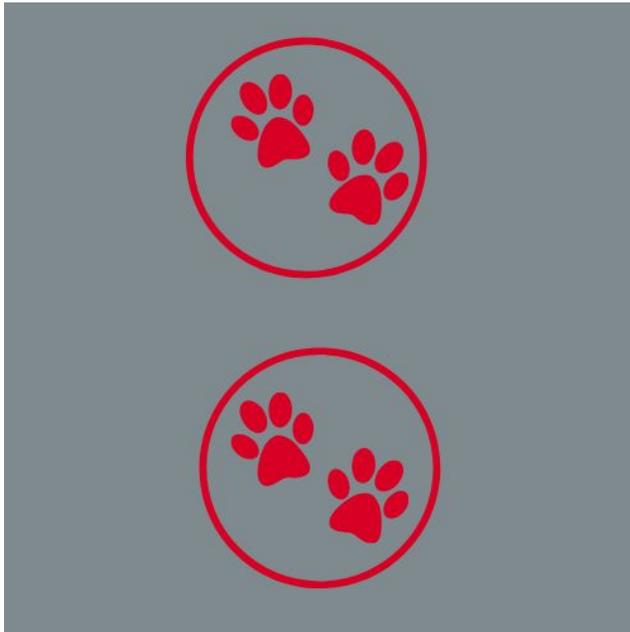

APPENDIX B: FACILITY ADJUSTMENTS

APPENDIX C: PROTOCOL SIGNAGE

Additional Details

- Red tiger paws will be used to mark 6 feet spots in the bathrooms.
- Navy tiger paws will be used to show the direction of travel in hallways.

COVID-19 Workplace Exposure Reporting

To ensure the health and safety of employers, employees, and community members, businesses and activities must immediately report any confirmed cases of COVID-19 to Yolo County Public Health.

Yolo County Public Health Requires ALL Businesses to take the following actions

1. FOLLOW

FOLLOW California COVID-19 Industry Guidance for clear recommendations and tasks to prepare your businesses <https://covid19.ca.gov/industry-guidance/>.

2. REPORT

REPORT confirmed COVID-19 cases to the Yolo County Public Health by calling the COVID Provider Line at: **(530) 666-8614**.

- Leave a message; staff review messages everyday.
- Include in the message your business name, city, point of contact, and a brief situational update (ex. 3 employees out with fever and cough, one employee reporting a positive COVID-19 lab test)

3. PREPARE

PREPARE for Public Health to call. You can prepare by:

- Completing the Yolo County Workplace COVID Toolkit (located at www.yolocounty.org/coronavirus-roadmap) to identify close contacts (those within 6 ft. for 10 min. or more) of an infected employee.
- Starting to take steps to isolate close contacts if they are still at work; or if this is not possible, send home to isolate.

For additional information on COVID-19, the "Roadmap to Recovery" plan, or face covering guidance visit www.yolocounty.org/coronavirus-roadmap.

APPENDIX E: DISTANCE LEARNING

The Distance Learning opportunities provided by Our Lady of Grace School are intended to keep us safely in community.

Distance Learning Outline

- A. Campus open - Our primary goal is to provide a quality education while in community. Independent, remote learning will be available for students in at-risk scenarios through their regular classroom teacher, in addition to a support/liaison teacher to ensure connectivity. Modes of instruction provided will include live stream lessons, recorded sessions, and scheduled check-in times. This program will provide seamless reentry to an on-site experience for that child when the time comes to return.
- B. Cohort Distance Learning - If the health department sends a cohort to distance learning, the entire cohort will be provided with a daily program that will include live stream lessons and a regular period by period schedule.
- C. Campus closed - The entire school will move to distance learning if the campus is closed by the health department, similar to the cohort scenario, but with additional whole school content such as streamed announcements, masses, assemblies, and music. Students on independent, remote learning will be folded into the whole site distance learning program.

Distance Learning

Communication

- Staff will review the survey in preparation for the DL program.
- Teachers will meet and articulate with previous teachers and the EAS teacher to determine the success of individual students during the previous distance learning period and any standards gaps that may need to be addressed.
- Orientations will be scheduled with families.
- Teachers will post daily lesson plans.
- Classroom teachers and aides will be available throughout the school day to respond to students questions, concerns and needs.
- Teachers and the principal will post and email a weekly announcement on SchoolSpeak.
- Teachers will focus on building individual relationships with students.

- Teachers will schedule weekly check-ins, and grade appropriate office hours.
- It is important for students to learn to communicate their needs with their teachers. We recognize that lessons are not one size fits all and a distance learning format needs to be adjusted to accommodate all students.

Attendance

Teachers will take their daily attendance by 9:00am each day with a morning check-in assignment or by taking attendance at the first synchronous session of the day. Teachers will share their method with each class. Students must work and participate to be marked present for the day.

Daily Lesson Plans

Lesson plans will be posted each day on **Class Dojo** (TK-3rd grade) and **Google Classroom** (4th-8th grade)

School Day

The school day will begin between 8:00 and 8:30 am and end between 2:30 and 3:00pm and by 12:00pm on early release days. Lesson lengths will vary based on a grade-level's ability and needs. Though lessons will be laid out like a regular school day, flexibility can be built into the day. While a teacher may suggest to do independent reading after lunch or take a recess break following a math lesson, families may choose to bypass the break to finish an assignment and have their child read at bed time. Families should communicate their needs with their child's teacher should they need to make additional accommodations.

Content

- Prayer** 5 days a week
- English Language Arts** 5 days a week
- Math** 5 days a week
- Religion and Virtue Education** 3-4 days a week
- Social Studies/** 2 days a week
- Science** 2 days a week
- Enrichments** (Spanish/PE/Music/Performing Arts/Visual Arts) 1-2 times weekly
- Check-Ins** with individual students or small groups once a week
- Office Hours** throughout the week

- ❑ **Other** May include: Morning Meetings, Virtual Recess, Virtual Lunch, Study Time, Storytime and other opportunities to build relationships, allow for social interaction and support learning. These will vary depending on a student's age.

Delivery

- Lessons will be delivered with both Synchronous and Asynchronous technology.
- Synchronous may be used to deliver follow up lessons, support a direct instruction model and to help the students build community, collaborate and allow the teachers to check for understanding and give feedback. Lessons will be recorded and shared with students who were unable to attend a lesson.
- Asynchronous lessons will also be emphasized. These teacher-made videos will be beneficial to students who need reinforcement, repeated instruction or require flexibility in the schedule.
- We understand the importance of limiting a child's screen time, so students will also have assignments to be completed off-line, independently.

School Wide Technology

Technology Support

- Students who do not have a home device will have the option to check out a device from the school.
- Families will review and sign a technology agreement.
- Teachers will provide student and parent support in using the school communication platforms.
- Teachers should send home websites and apps that will be used the first three weeks of school and include student log-in information.

Here are some of the applications and sites that OLG will be commonly using during distance learning. Because these sites vary in complexity, all grades will not be using all materials. Teachers will be using additional tools as needed.

Independent, Remote Learning for Students

Overview

Program Intent

Our school emphasizes local, personal interaction through an in-person community. A homeschool program is limited and is not our mission. Still, when health considerations necessitate learning from a distance, we will serve our families and keep them connected to their community with an independent, remote learning program.

Content

Instruction in math, language arts, science, religion, and social studies will be provided to all students. Additional content will also be integrated into the curriculum on-site and off.

Roles and Responsibilities

Classroom Teacher

Generates core content and provides feedback to all students (on and off-site) in the regular grading cycle. Is available to all parents in a regular fashion (phone, email, appointment). Posts content for Teacher Liaison review a week in advance for collaborative and clarification purposes.

Teacher Liaison

Provides additional community connectivity content such as checking in daily with students, monitoring work completion, and providing on-demand support. Serves as student and parent first point of contact during the course of the day for assistance.

Student

Keeps to their schedule by starting each day with the morning announcements, attends their remote lessons, and progresses through the content at their pace during the day content is assigned.

Next Steps & Additional Information

Should your child's cohort or the school move to distance learning, this remote learning schedule would change to a full distance learning schedule (more streamed course content, etc.)

APPENDIX F: APPLICATION FOR WAIVER

In counties on the monitoring list, CDPH guidance allows elementary schools to request a waiver from the local health officer to open for in-person instruction. To receive a waiver, the superintendent (or equivalent for charter or private schools) must consult with labor, parent, and community organizations

prior to submitting a waiver application. The local health officer then reviews the application, along with local community epidemiological data, and consults with CDPH about the request.

Waiver Application Cover Form

(for use by a Local Education Agency or equivalent)

Please submit one application for each local educational agency or equivalent. If applying on behalf of a school district please submit one application for elementary schools in the district that are seeking to reopen for in-person instruction. If applying for an independent, private, faith-based, or charter school, please submit an application for each school.

Background Information

Name of Applicant (Local Educational Agency or Equivalent):

School Type:

Traditional Public School Charter School Private, Independent, or Faith-Based School

Number of schools: Enrollment:

Superintendent (or equivalent) Name:

Address:

Grades/Number of Students Proposed to be Reopened:

TK K 1st 2nd 3rd 4th 5th 6th

Date of Proposed Reopening:

Name of Person Completing Application:

Phone Number: Email:

Signature:

Date:

I. Consultation

1. Faculty and staff: By August 14, 2020, each principal will hold an meeting with his or her faculty. During that meeting, he or she will:
 - a. Present an introductory message from Lincoln Snyder and a public service announcement from Dr. Daniel McCrimons.
 - b. Provide an electronic copy of his or her school’s Return-to-School plan to each employee.
 - c. Review his or her school’s Return-to-School plan in detail.
 - d. Hold an open forum in which he or she records and answers any questions or concerns.
 - e. Makes himself or herself available at a scheduled time for follow-up conversation and questions.

2. Parent organizations: By August 14, 2020, each principal will hold an online meeting with his or her Catholic School Advisory Committee. During that meeting, he or she will:
 - a. Present an introductory message from Lincoln Snyder and a public service announcement for parents from Dr. Daniel McCrimons.
 - b. Provide an electronic copy of his or her school's Return-to-School plan to each CSAC member.
 - c. Review his or her school's Return-to-School plan in detail.
 - d. Hold a question-and-answer session in which he or she records and answers any questions or concerns.
 - e. Make himself or herself available at a scheduled time for follow-up conversation and questions.
 - f. Following the meeting, the principal will share a copy of the Return-to-School Plan with the parent population and post the plan prominently on the school website.
3. Community Organizations:
 - a. Following the same agenda as above, during the month of August the principal will meet with the Parish Pastoral Council and other significant community entities that operate in or on the parish grounds (as determined by the principal and pastor) to present the Return-to-School plan.
 - b. On August 5, the Catholic School Department held an informational meeting with the Parochial Athletic League athletic directors to present on the Return-to-School Plan and discuss the most recent state guidelines for sports and outdoor activities.
4. Principals will document the dates of all meetings on their website.
 - a. Faculty and staff meetings held 8/5, 8/6 and 8/10
 - b. CSAC meeting scheduled for 8/11
 - c. Parish Council meeting scheduled for TBD

II. Elementary School Reopening Plans

Please confirm that elementary school reopening plan(s) addressing the following, consistent with guidance from the California Department of Public Health and the local health department, have been published on the website of the local educational agency (or equivalent): All reopening plans for schools of the Diocese of Sacramento are available on the diocesan website (www.scd.org/schools).

Cleaning and Disinfection: How shared surfaces will be regularly cleaned and disinfected and how use of shared items will be minimized.

Go to: [Safe Environment](#) and [Shared Spaces](#)

Cohorting: How students will be kept in small, stable, groups with fixed membership that stay together for all activities (e.g., instruction, lunch, recess) and minimize/avoid contact with other groups or individuals who are not part of the cohort.

Go to: [Student Cohorts School](#) and [Schedules and Routines](#)

Entrance, Egress, and Movement Within the School: How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts.

Go to: [Schedules and Routines](#)

Face Coverings and Other Essential Protective Gear: How CDPH's face covering requirements will be satisfied and enforced.

Go to: [Personal Protective Equipment \(PPE\)](#)

Health Screenings for Students and Staff: How students and staff will be screened for symptoms of COVID-19 and how ill students or staff will be separated from others and sent home immediately.

Go to: [Screening](#) and [COVID Symptoms and Case Response](#)

Healthy Hygiene Practices: The availability of handwashing stations and hand sanitizer, and how their use will be promoted and incorporated into routines.

Identification and Tracing of Contacts: Actions that staff will take when there is a confirmed case. Confirm that the school(s) have designated staff persons to support contact tracing, such as creation and submission of lists of exposed students and staff to the local health department and notification of exposed persons. Each school must designate a person for the local health department to contact about COVID-19.

Physical Distancing: How space and routines will be arranged to allow for physical distancing of students and staff.

Go to: [Shared Spaces](#)

Staff Training and Family Education: How staff will be trained and families will be educated on the application and enforcement of the plan.

[Delivering Instruction](#)

Testing of Students and Staff: How school officials will ensure that students and staff who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Describe how staff will be tested periodically to detect asymptomatic infections.

[COVID Symptoms and Case Response](#)

Triggers for Switching to Distance Learning: The criteria the superintendent will use to determine when to physically close the school and prohibit in-person instruction. [COVID Symptoms and Case Response](#)

Communication Plans: How the superintendent will communicate with students, staff, and parents about cases and exposures at the school, consistent with privacy requirements such as FERPA and HIPAA.
