Dear Pastors

As we plan for Summer 2021 in these unprecedented times Camp Pendola is exploring many options to be able to serve the young people in our diocese. One of the ideas is to run a Camp Pendola day camp. The best option for the day camp would be at parishes around the diocese. And so we are asking if you would be willing to open your parish facility to us for a week during the summer of 2021.

I understand that sounds like a big ask but here is what we will need from you and your community.

1. A outdoor space that we can be socially distant for activities.
2. 2 or 3 meeting rooms/classrooms to store supplies and do small group activities inside (if permitted by county guidelines)
3. Access to a kitchen to provide snack to the campers

We will provide all the supplies and staff to run the camp programming. And the camp week would run Monday – Friday from 9:00am – 4:00pm.

If your parish would be interested in hosting please complete this quick survey found at <https://forms.gle/DGsxXTbeFCcR9RnN9> and we will be in contact in the next few weeks to discuss the options with you and your team.

Thank you,
