RE: RETA Health Premium Discounts

We are pleased to announce that RETA Health Premium discounts will continue for the five-month period February 2021 through June 2021.

You will recall that the previous discount was 24% and covered the period August 2020 through January 2021. For the period February 2021 through June 2021 the discount is slightly reduced, but still a very meaningful discount of 12.5% +/- based upon the January 2021 gross billing amount.

This premium discount will again accrue to the employer only.

This new round of premium discounts has accrued from two main sources:

- Credits received from RETA due to better than planned loss experience in past periods; and
- Savings from discontinuance of the RETA wellness program.

Please remember to plan for the 12.5% +/- discount to end after the June 2021 billing.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me at 916-733-0288/tmcnamara@scd.org; or contact Julianna Aguilera at 916-733-0282/jaguilera@scd.org.
