Re: Vocation Andrew Dinners 2021-22

The Office of Priestly & Religious Vocations will be offering opportunities for young adult men who are discerning their vocation to the priesthood to attend a Vocation Andrew Dinner with Bishop Jaime Soto.

We will be scheduling these events throughout the year. If you know of a young adult man who is seriously considering his vocation to the priesthood, please invite him. The Vocation Andrew Dinners, provide a time for open dialogue, discussion, and encouragement in following the Lord's call in these young men's lives with Bishop Jaime Soto, Director of Vocations, Seminarian Formation Coordinator and the participation of the supporting parish pastor (or priest) to the journey of discernment of the men who attend the dinner.

Please contact me if I can be of support to you and the young adult men who may need accompaniment with their discernment.

Thank you for supporting the promotion of Vocations!
