OFFICE OF PRIESTLY &  
RELIGIOUS VOCATIONS

November 19, 2021

Dear Brother Priest,

I invite you to a workshop on ***Propaedeutic Stage and Vocational Issues*** on Tuesday, December 14<sup>th</sup> from **2pm-4pm at St. Anthony Parish, Sacramento.**

The speaker for this workshop is Fr. Larry Herrera, S J, Director of Human Formation and Director of Admissions at St. Patrick's Seminary & University, Menlo Park.

Please consider attending this workshop to become aware and better equipped to support young adult men who may approach you to inquire and/or share their desire and the possible call to the vocation of the priesthood. By learning more about the Propaedeutic Stage and other Vocational Issues, the accompaniment that you offer to someone who is discerning the vocation at the parish level can be more efficient in the long run.

I really hope you will save the date on your calendar to attend this important event. **Please RSVP by Monday, December 6<sup>th</sup> at [https://scd.formstack.com/forms/vocations\\_propaedeutic\\_workshop](https://scd.formstack.com/forms/vocations_propaedeutic_workshop).** If you have further questions regarding the workshop, please contact me directly or Marisela Smith at (916) 730-0258 or by email at [msmith@scd.org](mailto:msmith@scd.org).

Blessings,

Fr. Guillermo (Mémo) Hernández
