Give this letter to your Petitioner.

Dear Petitioner,

The Diocesan Tribunal will do all in our power to help you in your marital situation. Since you have asked us to investigate the validity of your previous marriage, there are certain facts concerning the Tribunal's process that you should know.

- 1. Canon Law <u>requires</u> that we contact your former spouse (the Respondent), so that he/she is aware that the process has been started and to give him/her the opportunity to participate in the process if he/she so chooses. If, after we have contacted the Respondent, he/she does not wish to participate, the process will proceed. We realize that sometimes it is impossible to locate a Respondent, and if this is the case, we must have, in writing, documentation of your attempts to locate the Respondent (*last known address, relatives, newspaper ad, Internet search, etc.*) and the reasons why he/she cannot be located. Use the **Affidavit of Diligent Search** form to provide us with the information on how you have tried to contact the Respondent.
- 2. **Quality witness testimony is essential** if the case is to be brought to a successful conclusion. It is necessary for you to name <u>at least</u> three or four witnesses plus your parents (if possible) who have first-hand knowledge of the courtship and marriage. Please give us the exact street address and telephone numbers of the Respondent and witnesses. *Notify your witnesses* that you have given us their names so that the questionnaires do not come as a surprise.
- 3. Canon 1598 of the Code of Canon Law provides that **the Petitioner** and **the Respondent**, as well as their Advocates, **have the right to inspect the acts of the case (testimony)** at the Tribunal, according to approved procedures, so as to guard the right of due process to both parties. You will be notified when this step is reached in the process.
- 4. Please keep in mind that **this is an investigation by a Church court** to see if this particular marriage was a true marriage as the Church describes it. The fact that a case is accepted for consideration by the Tribunal does not mean that a declaration of invalidity will always be granted. There must be provable grounds and a legal basis in canon law for a Church court to declare a marriage null.
- 5. The average time to process a formal case is 8-12 months, but it can take longer. A date for a future wedding or plan for baptism or reception into the Church may not be set until the process has been completed, since we cannot predict the outcome or timing of the process. The full cost to process this type of case is close to \$1,500. We ask you to pay at least the minimum fee of \$600 toward that cost. An expert witness fee of \$100 may be added to your case, depending on the grounds of the case.

Please do not hesitate to ask your Parish Advocate for any assistance you may need in preparing your materials for presentation to the Tribunal. Tribunal personnel are also available to answer any questions you may have.

Sincerely,
Mrs. Cheryl M. Tholcke
Moderator of the Tribunal Chancery
