**Subject: November - National Vocation Awareness Week - Friendly Reminder**

This is a friendly reminder of **National Vocation Awareness Week - November 6-12, 2022**. Please view the following suggestions and other resources available for your use in order to promote vocations during these dates.

- 1) Holy Hour for Vocations during National Vocation Awareness Week:** We encourage Parish Vocation Committees to organize a Holy Hour for vocations for the youth at your parish with the support of your pastor. If there is not a Parish Vocation Committee ministry at your parish, we invite the religious education program, youth ministry and/or altar server ministry to consider organizing this event.
- 2) Rosary for Vocations:** We encourage Parish Vocation Committees or religious education programs and youth ministry to organize these.
- 3) Priests:** this is an opportunity for you to share your vocation story. Young people love hearing why you are a priest!
- 4) Seminarian Flyer:** Please feel free to make copies of the Seminarian flyer and share with catholic school or religious education classrooms and families of your parish for them to pray for our seminarians.
