RE: Interest Rate Changes Effective January 1, 2023

The Board of Directors of The Parochial Fund, Inc. has approved the following adjustments to the PFI interest rate policy to be effective January 1, 2023:

- ✚ The interest rate paid on parish deposits will increase from 1.5 % to 2.0%; and
- ✚ The interest rate charged for loans will increase from 2.0% to 2.75%.

These rate adjustments are consistent with the trend of interest rate increases across the financial markets. The Board of Directors strives to balance fairly the goals of providing to borrowers a below market interest rate while providing to depositor parishes a fair return on their savings.

These interest rates will continue until further notice.
