Date: March 13, 2023
Subject: *The Shalom Project* – In Honor of Bishop David O’Connell

The Restorative Justice Committee of the California Catholic Conference invites all to honor Bishop David O’Connell by attending the virtual event *The Shalom Project*. A project that Bishop O’Connell worked on in the days and weeks before his tragic death.

Auxiliary Bishop O’Connell’s vision was to bring healing to a community that suffered in isolation for so long because of COVID-19. It was his desire to create an online space to cast a wide web into the hearts of the People of God yearning for peace in a world divided by grief and fear. He firmly believed the path to peace was rooted in the Gospels, and he frequently taught a Gospel Reflection Process which is now shared through *The Shalom Project*.

The Shalom Project is offered in collaboration with Diocesan Restorative Justice Directors and Santa Clara University. We believe you will find it to be an experience of individual and community transformation. Join us in honoring Bishop O’Connell by learning this transformative process and utilizing it in his blessed memory.

Date: Tuesday, March 21st at 6pm

Location: Virtual

Cost: Free

May Bishop O’Connell rest now in the loving arms of Jesus, his devoted mother, and all the beloved that have gone before him. May he continue to guide us as you faithfully have all these years.

Respectfully,

Miriam Sammartino

Memo

To: Todos
From: Miriam Sammartino
Date: 13 de marzo 2023
Subject: *The Shalom Project* – En Honor del Obispo David O'Connell

El Comité de Justicia Restaurativa de la Conferencia Católica de California invita a todos a honrar al Obispo David O'Connell asistiendo al evento virtual *The Shalom Project*. Un proyecto en el que el Obispo O'Connell trabajó en los días y semanas previos a su trágica muerte.

La visión del obispo auxiliar O'Connell era llevar la sanación a una comunidad que sufrió en aislamiento durante tanto tiempo debido a COVID-19. Era su deseo crear un espacio en línea para lanzar una amplia red en los corazones del Pueblo de Dios que anhela la paz en un mundo dividido por el dolor y el miedo. Él creía firmemente que el camino hacia la paz estaba arraigado en los Evangelios, y con frecuencia enseñó un Proceso de Reflexión del Evangelio que ahora se comparte a través del *Proyecto Shalom*.

El Proyecto Shalom se ofrece en colaboración con los Directores Diocesanos de Justicia Restaurativa y la Universidad de Santa Clara. Creemos que encontrará que es una experiencia de transformación individual y comunitaria. Únase a nosotros para honrar al Obispo O'Connell aprendiendo este proceso transformador y utilizándolo en su bendita memoria.
