| Re: | Federal Non-Profit Security Grant Award Information |

Six parishes in the Sacramento Diocese were awarded funds in the FY 2023 Non-profit security grant program offered by FEMA/DHS (this is the Federal non-profit security grant program). Collectively these parishes will receive \$812,470 for security improvements .

The list of Sacramento Diocese recipients is as follows:

| St. Mel Parish, Fair Oaks - School | \$150,000 |
|--|-----------|
| St. Robert Parish, Sacramento | \$150,000 |
| St. Peter and All Hallows Parish, Sacramento | \$150,000 |
| Our Lady of Grace Parish, West Sacramento | \$150,000 |
| St. Thomas the Apostle Parish, Oroville – School | \$125,470 |
| St. Thomas More Parish, Paradise | \$75,800 |
| St. Thomas the Apostle Parish, Oroville | \$11,200 |

Some parishes that applied for this grant were not included in this year's award. I encourage parishes and schools to continue to consider applying for this grant and the CalOES non-profit security grant to address funding needs for security improvements.

CalOES, the state administrative agency for the FEMA/DHS grant, has scheduled six "required documents" workshops between October 10 and October 19 for successful grant recipients. Only three of these workshops are available online. It is **critical** that representatives from each of these parishes/schools participate in at least one of these workshops.
