Date: Monday, January 15, 2024

You are encouraged to participate in a statewide homiletic webinar on Marriage in preparation for World Marriage Day this year.

The California Catholic Conference (CCC) will be launching a statewide marriage initiative, *Radiate Love: Celebrating Marriage and Family*. (<http://radiatelove.info>)

This first parish outreach is scheduled for World Marriage Day, February 11, 2024. Look for parish materials in the weekly news over the next few weeks (we have also attached the materials to this email - Spanish versions are available in this google drive folder: <https://drive.google.com/drive/folders/1HU3tCm0o1yjVo7w5yh-QVsihisPmdYOx>)

The CCC will be hosting a statewide [Homiletics Webinar](#) for clergy at 1:00pm on Wednesday, January 17th to present the initiative and share some tips for homilies on World Marriage Day. Please register for the webinar here: [Homiletics Webinar](#)
