Re: DHS Faith -based security briefing / CalOES grant preparation information

---

The Central California Intelligence Center (CCIC – part of the Sacramento region’s threat assessment center) is inviting faith-based community members to participate in a Department of Homeland Security presentation on the current threat environment facing religious organizations. This presentation is scheduled for Tuesday, March 25 at 1:00 PM. Pre-registration is not required. A link to join the presentation can be found [here](#) .

CalOES is encouraging organizations interested in applying for this year’s non-profit security grants to start planning their applications now. Parishes and schools should sign up with CalOES to receive updated grant information and application webinar announcements. CalOES has two email addresses to sign up for information about these grants.

The Federal grant email address is:  
[nonprofit.security.grant@caloes.ca.gov](mailto:nonprofit.security.grant@caloes.ca.gov)

The State CalOES grant email address is:  
[CSNSGP@caloes.ca.gov](mailto:CSNSGP@caloes.ca.gov)

Please contact me if you have any questions ( [gfaulkner@scd.org](mailto:gfaulkner@scd.org) - 916-733-0125 ).
