For the past 18 years Bishop Soto has gathered all Young People in the Diocese of Sacramento preparing for the Sacrament of Confirmation for our Annual Confirmation Conference, Fired Up! Fired Up is a different experience than your Confirmation Retreat, but equally important to the formation of the young people you serve.

Fired Up provides an opportunity for Bishop Soto to speak to the young people who are preparing to receive the gift of Confirmation - like how a catechumen in the Order of Christian Initiation would be received by the bishop at the Rite of Election. In other words, it's a chance for the bishop to speak into the lives of your Confirmation students and say, "yes, you're choosing to complete your initiation, but it is the Church who also chooses you for initiation."

And lastly, Fired Up also invites them to consider the "what's next" after Confirmation. Fired Up shows them that they are not alone in their faith journey and that, in being received fully into the Church, they are part of a universal family, that includes not just their parish or school, but the entire diocese, and a world-wide church.
