From: Glen Faulkner – Parish Security Coordinator

Re: Federal non-profit security grant update

Parishes and schools that are interested in applying for the FY2026 FEMA Non-profit Security Grant program may have found the link listed below on FEMA's website.

[Nonprofit Security Grant Program | FEMA.gov](#)

The linked document - dated June 24, 2026 - announces this grant's Notice of Funding Opportunity (NOFO) and includes important application information. The notice does not include an application submission deadline date.

Although this is a federal grant, CalOES – a state agency – acts as the grant's State Administrative Agency (SAA) and is the entry point for all grant applications. CalOES's grants management unit advised that they DO NOT currently have a timeline for the FY 2026 NSGP application cycle and that additional guidance, including application requirements and webinar/workshop schedule will be forthcoming. Grant application documents should NOT be submitted to Cal OES at this time.

CalOES encourages interested organizations to join the Grants Management Competitive Funding Opportunity (CFO) and Public Meeting Notice email notification system on the CalOES website at the following link:

<https://lp.constantcontactpages.com/sl/zNc8cVV>).

Once completed, you will automatically receive emails when a CFO or Public Meeting Notice is released by Cal OES Grants Management.

Additional information on the NSGP and California State Nonprofit Security Grant Program is available on the Cal OES website at:
